CONTENTS FOR THE STUDENT MANUAL 2024-25

1. **ABOUT JAIN (DEEMED-TO-BE-UNIVERSITY)**
2. **VISION AND MISSION OF JAIN (DEEMED-TO-BE-UNIVERSITY)**
3. **LIST OF PRINCIPAL OFFICERS**
4. **PLEDGE**
5. **ABOUT THE FACULTY OF ENGINEERING AND TECHNOLOGY**
6. **ABOUT THE SCHOOL OF ENGINEERING AND TECHNOLOGY**
7. **ABOUT THE DEPARTMENT AND VISION AND MISSION**
8. **NAME OF THE PROGRAM(S)**
9. **ABOUT THE PROGRAMME, PROGRAMME AND VISION AND MISSION, PO'S, PEOS PSOS.**
10. **DURATION OF THE PROGRAM(S)**
11. **PEDAGOGY OF THE PROGRAM(S)**
12. **COURSE MATRIX (TD PCL / MENTORING)**
13. **ASSESSMENT CRITERIA**
14. **PLACEMENTS AND INTERNSHIP**
15. **CO-CURRICULAR /EXTRA-CURRICULAR ACTIVITIES**
16. **CALENDAR OF EVENTS FOR THE ACADEMIC YEAR 2024-25**
    a. **CALENDAR OF EVENTS OF THE UNIVERSITY**
    b. **CALENDAR OF EVENTS OF THE SCHOOL**
17. **LIST OF GENERAL HOLIDAYS FOR THE ACADEMIC YEAR 2024-25**
18. **NOTE TO PARENTS**
19. **NOTE TO STUDENTS**
20. **ABBREVIATIONS**
21. **CONTACT DETAILS OF THE SCHOOL**

Note:

1. COURSE MATRIX (TD PCL / MENTORING) will be approved by the University.
2. Kindly email the student manual to Dr. Dinesh Nilkant with cc to Prof. Sapthagiri for review and approval.
3. Course Overview is titled as Nature of the Course in the reference manual shared with you. However, you are requested to retain the title COURSE OVERVIEW in the Student Manual 2024-25.

ABOUT JAIN (DEEMED-TO-BE-UNIVERSITY)

Established in 1990, JAIN (Deemed-to-be University), Bengaluru, was declared Deemed-to-be University u/s of the UGC Act 1956 by the Ministry of Human Resource Development, Government of India in July 2009. Based in Bengaluru - The Silicon Valley of India, JAIN (Deemed-to-be University) is ranked among the top universities in India and considered a cerebral destination for students worldwide and from India.

The University offers a conducive environment for learning, both in academics and extracurricular activities. Known for its emphasis on education, entrepreneurship, research and sports, JAIN (Deemed-to-be University) has some of the best minds in education and research fields, and centres that inspire entrepreneurship and ground-breaking innovations to simplify and manage life better. JAIN (Deemed-to-be University) distinguishes itself via its outlook on life, values, and principles. Its ever-evolving and open-minded system and quest for continued success and resilience, have made it one of the top universities in India.

The University has been accredited with an A++ grade attaining a cumulative grade point of 3.71 in the year 2021 by the National Assessment and Accreditation Council (NAAC). It has secured 68th nationwide rank in the National Institutional Ranking Framework (NIRF), Government of India, in 2023. Ranked 5th among the top private universities in India by the India Today magazine, the University is also an ISO 21000:2018 certified for quality management by TUV Nord.

With an unwavering commitment to academic excellence, the university fosters an environment that encourages innovation, creativity, and critical thinking. It plays a vital role in shaping a brighter future for both individuals and society as a whole.

Our Vision:

To Foster human development through excellence in Quality Education, Research, and Entrepreneurial Development.

Our Mission

- To provide quality education, creating human assets / manpower and intellectual capital.
- To enhance research and development in different disciplines.
- To develop new generation entrepreneurs who will be instrumental in fueling economic growth.
- To create able Leaders, Managers, and Technocrats.
- To foster an ethical environment founded on human values in which both spirit and skill will thrive to enrich the quality of life.

LIST OF PRINCIPAL OFFICERS

Officers of the University:

Dr. Chenraj Roychand	Chancellor and Founder-Chairman, JAIN Group
Professor (Dr.) Raj Singh	Vice Chancellor
Dr. Dinesh Nilkant	Pro Vice Chancellor
Dr. J. Letha	Pro Vice Chancellor
Dr. Jitendra Kumar Mishra	Registrar

Other Senior Officers:

Shri. Ravindra Bhandari	Vice President
Mr. M.S. Santhosh	Joint Registrar
Ms. Aparna Prasad	Director, Communications, HR
Mr. M.S. Parswanath	Director - Projects and Facilities
Dr. Shradha Kanwar	Chief Academic Officer
Dr. S. Kiran	Deputy Dean- Academics
Dr. Asha Rajiv	Director- Internal Quality Assurance
Dr. Rajani Jairam	Dean- Student Affairs
Prof. N.S. Manjunath	Controller of Examinations

PLEDGE

OWN MY DESTINY

- I will be a committed learner and take ownership of my learning journey and future.
- I am talented and will dedicate time and effort to serving the society and my country.
- I will focus and commit to continuous learning, expanding my horizons and adapting to the changing world.
- I will nurture my inner innovator, seeking creative solutions to problems.
- I will foster teamwork, valuing diverse perspectives and learning from my peers.
- I will explore the power of networking and turn ideas into action, becoming a responsible and innovative entrepreneur.
- I will dream because I am part of something bigger and will strive to make a positive impact on society.
- I will be self-disciplined and will lead a life that is simple and successful.
- I will be the change I wish to see in the world, leading with courage and compassion.

ABOUT THE FACULTY OF ENGINEERING AND TECHNOLOGY

With a proud history spanning over a decade, JAIN (Deemed-to-be University), Faculty of Engineering & Technology (JU-FET) has emerged as one of the finest and highly renowned engineering institutes in Bengaluru. JU-FET offers undergraduate (B.Tech), postgraduate (M.Tech) and many specialized programs. JU-FET is intently focused on delivering the world-class educational experience to its students. The outstanding teaching and research facilities coupled with practical and forward-thinking approach will provide a distinctive and high-quality academic experience focused on developing the skills and knowledge of the students, thereby allowing a smooth transition for them from the academic setup to the portals of the industry.

Being one of the best engineering institutes in Bengaluru, JU-FET has recognized that education can even go beyond the boundaries. Remarkable facilities and diverse co-curricular activities serve these educational purposes. The well-maintained campus provides a sense of persistent vision, stability, and management. Besides classroom training, JU-FET emphasizes on intensive interactions between students and mentors and provides excellent facilities such as technology enabled classrooms, seminar halls, auditorium, library, and much more.

ABOUT THE SCHOOL OF ENGINEERING AND TECHNOLOGY

Welcome to the School of Engineering and Technology at Jain University, where innovation meets excellence in engineering education. Our diverse range of programs in Electronics & Communication Engineering, Electrical Engineering, Mechanical Engineering, and Civil Engineering are designed to equip students with the skills and knowledge needed to excel in their chosen fields.

We are committed to deliver top-tier education and practical training in various engineering disciplines, leveraging cutting-edge technologies through

Expert Faculty: Our faculty members are accomplished academics and industry professionals who are dedicated to providing mentorship and guidance to students, ensuring a supportive learning environment.

State-of-the-Art Facilities: From well-equipped laboratories to modern research centers, our campus provides the infrastructure necessary for hands-on experimentation and innovative research.

Industry Connections: We maintain strong partnerships with industry leaders, enabling students to gain practical insights and experience through internships, industry projects, and guest lectures.

Holistic Development: Beyond academics, we emphasize the holistic development of our students through extracurricular activities, workshops, and community engagement initiatives.

Student Support

We are dedicated to nurturing your academic and personal growth during your time at School of Engineering & Technology. Our supportive team of faculty are ready to assist you with academic advising, career counselling, and access to campus resources, ensuring your success.

Explore Your Potential

Discover the limitless opportunities awaiting you at the School of Engineering and Technology, Jain University. Together, let's pioneer the future of engineering with innovation, creativity, and academic excellence. We eagerly anticipate embarking on this enriching educational journey with you.

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING

The Department of Electrical and Electronics Engineering (EEE) was established in the year 2006 & offers B. Tech. and Ph.D. programs. The department has faculty well versed in academic and industrial fields accompanied with experienced technical supporting staff. The B. Tech. program has a highly flexible structure with a blend of industry & research-oriented courses. A student can pursue different specialized streams in the domains of design and development of electrical machines, smart grid, renewable energy, transmission and distribution, energy management, electrical material science**.**

OUR VISION, MISSION AND VALUES

Our Vision:

To cater the needs of the Electrical and Electronics Engineers by disseminating outstanding education, research and entrepreneurship skills to meet the societal needs.

Our Mission

M1: To provide state-of-the-art facilities and to attain excellence in teaching, learning, and research activities.

M2: To develop innovative electrical and electronics engineers who can contribute to technical advancements in meeting global needs.

M3: To bridge the gap between the institute and industry by incorporating courses based on industrial needs into the curriculum and syllabus.

Our Values

- Innovation and Research Excellence
- Quality Education & Community Engagement
- Industry Collaboration & Readiness
- Lifelong Learning
- Ethical Responsibility & Entrepreneurial Spirit
- Global and Societal Impact

PROGRAMME EDUCATIONAL OBJECTIVES

PEO	STATEMENTS
PEO-1	Excel in the thrust areas and allied fields demonstrating the core competency
PEO-2	Competent in research and development activities that caters the societal requirements
PEO-3	**S**uccessful entrepreneurs
PEO-4	Working in teams with ethical practices

ABOUT THE PROGRAMME, PROGRAMME AND VISION AND MISSION, PO'S, PEOS PSOS

PSO 01 Graduates will be able to provide acceptable solutions to complex electrical engineering problems with the application of modern and appropriate techniques for sustainable development in e mobility and smart systems

PSO 02 : Graduates will be able to apply the knowledge to improve and manage the conventional and non conventional energy systems for specific applications using IOT techniques ethically and eco friendly.

DURATION OF THE PROGRAMME:

The course of study is four years divided into Eight Semesters. A candidate shall complete his/her degree within Six (6) academic years from the date of his/her admission to the first semester, Electrical and Electronics Engineering, EEE in Electric Vehicle and EEE in Microgrid Technologies 2024-25.

PEDAGOGY OF THE PROGRAMME:

Innovative teaching pedagogies refer to creative and effective approaches to teaching and learning that go beyond traditional methods. These pedagogies aim to engage students, foster critical thinking, and promote a deeper understanding of the subject matter. A Max Delivery model is developed which focus on innovative pedagogy like collaborative learning, case studies, simulation, Project-centric Learning, Experiential Learning, Inquiry-Based Learning, Blended Learning, flip-classes is used as a part of the delivery of the programme. These innovative teaching pedagogies can help create dynamic and engaging learning environments that promote active participation, critical thinking, and deep understanding among students. Educators can experiment with and adapt these pedagogies to suit their teaching goals, student needs, and available resources.

COURSE MATRIX

B.Tech Electrical and Electronics Engineering

I Semester - 2024

Sl. No.	Course Title	Credit	L–T–P-E
1	Calculus and matrix algebra	3	2-0-2-2
2	Applied Chemistry	3	2-0-2-2
3	Elements of Electrical and Electronics Engineering	3	2-0-2-2
4	Basics of Civil and Mechanical Engg	3	3-0-0-2
5	Problem solving through Programming in C	3	2-0-2-0
6	Mind Management and Human Values	2	1-0-2-1
7	Communicative English	2	1-0-2-1
8	PCL-I Research and Entrepreneurship project	--	0-0-3-3
	Total	19	

B.Tech Electrical and Electronics Engineering

II Semester - 2024

Sl. No.	Course Title	Credits	L–T–P-E
1	Electrical components and wiring using CAD	3	2-0-2-2
2	Partial Differential Equations and Laplace Transformations	3	2-0-2-2
3	Data Structures and algorithims using C	3	3-0-0-2
4	Environmental Engineering and sustainability	3	2-0-2-2
5	Engineering Physics	3	1-0-2-2
6	Mind Management and Human Values	2	1-0-2-2
7	PCL-I Research and Entrepreneurship project	3	0-0-2-2
8	Kannada/Sanskrit/Hindi	3	1-0-4-2
	Total	23	

B.Tech Electrical and Electronics Engineering

III Semester - 2024

Sl. No.	Name of the Subject	Credits	L–T–P-E
1	Biology for Engineers	2	2-0-0-2
2	Electric Circuit Analysis	3	3-0-0-2
3	Economics for Engineers	3	3-0-0-2
4	Basic EV design concepts with Electrical CAD (ECAD) solutions (Siemens – 1)	3	2-0-2-0
5	Functional Transforms and Numerical Methods	3	2-0-2-2
6	Open Elective - I	3	3-0-0-2
7	Electronic Circuits and Applications	3	3-0-0-2
8	Transdisciplinary (TD)- Project Centric Learning (PCL) - 2	-	1-0-4-0
9	Electric Circuit Analysis Lab	1	0-0-1-0
10	Electronic Circuits and Applications lab	1	0-0-1-0
	Total	19	

B.Tech Electrical and Electronics Engineering

IV Semester - 2024

Sl. No.	Name of the Subject	Credit	L–T–P-E
1	Intellectual Property Rights	2	2-0-0-2
2	Static and DC Electric Machinery	3	3-0-0-2
3	Adv EV Design with advanced Generative Desi gn and simulation	3	2-0-2-2
4	Microcontroller and Microprocessor	3	3-0-0-2
~~5~~	Open Elective - II	3	3-0-0-2
6	Signals and Systems	3	2-0-2-2
7	Transdisciplinary (TD)- Project Centric Learning (PCL) - 2	3	1-0-4-0
8	Machines Lab I	1	0-0-1-0
9	Microcontroller and microcontroller lab	1	0-0-1-0
	Total	22	

Open Elective Courses:

Students belonging to a particular stream of Engineering and Technology are not entitled for the open electives offered by their parent Department. However, they can opt an elective offered by other Departments, provided they satisfy the prerequisite condition if any. **Registration to open electives shall be documented under the guidance of the Program Coordinator/ Advisor/Mentor.**

Selection of an open elective shall not be allowed if,

(i) The candidate has studied the same course during the previous semesters of the program.

(ii) The syllabus content of open electives is similar to that of the Departmental core courses or professional electives.

(iii) A similar course, under any category, is prescribed in the higher semesters of the program. In case, any college is desirous of offering a course (not included in the Open Elective List of the University) from streams such as Law, Business (MBA), Medicine, Arts, Commerce, etc., can seek permission, at least one month before the commencement of the semester, from the University by submitting a copy of the syllabus along with the details of expertise available to teach the same in the college. The minimum students' strength for offering open electives is 10. However, this conditional shall not be applicable to cases where the admission to the programme is less than 10.

Major Investigation Projects – to learn to create own questions, evaluate information, draw conclusions and present the results of investigations through papers, artwork, oral presentations, audio and videotape productions, photographic essays, simulations and even plays. Investigations may also include scientific experiments in labs and help in learning hypotheses development and their testing. **These project usually relate to class topics.**

Internship:

During 10th term, students are required to be involved in**Inter/ Intra Institutional Activities** viz; Training with higher Institutions; Soft skill training organized by Trainingand Placement Cell of the respective institutions; contribution at incubation/ innovation /entrepreneurship cell
of the institute; participation in conferences/ workshops/ competitions etc.; Learning at Departmental Lab/Tinkering Lab/ Institutional workshop;

The following activities can be considered as internships and **certificate is to be retained for proof.**

- Working for consultancy/ research project within the institutes and Participation in all the activities of Institute's Innovation Council for eg: IPR workshop/Leadership Talks/ Idea/ Design/ Innovation/ Business Completion/ Technical Expos etc.
- Inter/ Intra Institutional, Workshop/ Training/ .
- Working for consultancy/ research project .
- Festival (Technical /Business / Others) Events/.
- Contribution in Incubation/ Innovation/ Entrepreneurship Cell/ Institutional Innovation Council.
- Learning at Departmental Lab/Tinkering Lab/ Institutional workshop.

B.Tech Electrical and Electronics Engineering

V Semester – 2024

Sl. No.	Name of the Subject	Credit	L–T–P-E
1	Scientific Foundations of Health	2	2-0-0-0
2	Open Elective - III	3	3-0-0-0
3	Condition Monitoring and Maintenance Management	2	2-0-0-0
4	AC Rotating Machinery	3	3-0-0-0
5	Capital Systems Architect (Siemens – 3)	3	2-0-2-0
6	AI, ML and IoT in Engineering	3	3-0-0-0
7	Professional elective Course-I	3	3-0-0-0
8	Project Centric Learning - 3	-	1-0-4-0
9	Specialisation Elective 1 (EEMS –EEEM)	3	3-0-0-0
10	AC Rotating Machinery Lab	1	0-0-1-0
11	**Internship I**	2	0-0-4-0
	Total	**22+3**	

B.Tech Electrical and Electronics Engineering

VI Semester – 2024

Sl. No.	Name of the Subject	Credit	L–T–P-E
1	Open Elective – IV	3	3-0-0-0
2	Power Electronics and Drives	3	3-0-0-0
3	Electric Vehicle using Basic design techniques (Siemens – 4)	3	2-0-2-0
4	Professional elective Course-II	3	3-0-0-0
5	Electric Power Generation Transmission and Dis tribution	3	3-0-0-0
6	Digital Electronic Systems	3	3-0-0-0
7	Specialisation Elective (EEMS /EEEM)	3	3-0-0-0
8	Project Centric Learning -3	3	1-0-4-0
9	Power Electronics Lab	1	0-0-1-0
	Total	**25**	

B.Tech Electrical and Electronics Engineering

VII Semester – 2024

Sl. No	Name of the Subject	Credit	L–T–P-E
1	Power System Operation and Control	3	3–0-0
2	Special Electrical Machines	3	3–0-0
3	Constitutional Values	3	3–0-0
4	Professional Elective IV	3	3-0-0
5	Professional Elective V	3	3–0-0
6	Open Elective-III	3	3–0-0
7	Project Phase I	3	0-0-5
8	Project Centric Learning	0	0-0-0
9	Specialization 5 (E-Mobility/IOT in Energy Management)	3	3–0-0
10	Internships II	3	0-0-6-0
	Total	24+3	

B.Tech Electrical and Electronics Engineering

VIII Semester – 2024

Sl. No.	Name of the Subject	Credit	L–T–P-E
1	Elective VI	3	3–0-0
2	Open Elective-IV	3	3–0-0
3	Environmental Studies	4	3–0-0
4	Project Phase II	5	0-0-5
	Total	15+3	

Professional Elective Courses

EEE Elective Tracks		Elective-I	Elective-II	Elective-III	Elective – IV
Track-I	Nonconventional Power	Non-Conventional Energy Sources	Solar and Wind Energy	Power Electronics Applications in Renewable Energy	Integration and Control of Renewable Energy Sources
Track-II	Energy	Electrical Energy Sources	Energy Storage Systems	Microgrid	Energy Auditing & Management
Track-III	Embedded Domain	Electronic Instrumentation	Digital Signal Processing	Computer Networks	Sensors & Transducers
Track-IV	VLSI	Microcontrollers & Programmable Digital Signal Processors	Advanced Computer Architecture	Hardware and Software Co-Design	Analog and Digital CMOS VLSI Design
Specialisation 1	E-mobility and Smart Systems (EMSS)	Introduction to Electric and Hybrid Vehicles	EV Batteries and Charging System	Power Electronic Converters and Controllers	Electric Drive Trains and Control
Specialisation 2	IOT – Energy Management (IOTEM)	Internet of Things for Electrical Engineers	Energy Management in Electrical and Thermal utilities	Modern Microelectronic Devices & Sensors	Energy Storage and Management

Internship I

after the 2nd Semester, students are required to be involved in Inter/ Intra Institutional Activities viz; Training with higher Institutions; Soft skill training organized by Training and Placement Cell of the respective institutions; contribution at incubation/ innovation /entrepreneurship cell of the institute; participation in conferences/ workshops/ competitions etc.; Learning at Departmental Lab/ Tinkering Lab/ Institutional workshop; Working for consultancy/ research project within the institutes and Participation in all the activities of Institute's Innovation Council for eg: IPR workshop/Leadership Talks/ Idea/ Design/ Innovation/ Business Completion/ Technical Expos etc.

Internship II

During the summer vacation after 4th/ 6th semester, students are ready for industrial experience. Therefore, they may choose to undergo Internship / Innovation / Entrepreneurship related activities. Students maychoose either to work on innovation or entrepreneurial activities resulting in start-up or undergo internship with industry/ NGO's/ Government organizations/ Micro/ Small/ Medium enterprises to make themselves ready for the industry. In case student want to pursue their family business and don't want to undergo internship, a declaration by a parent may be submitted directly to the TPO
VII semester Classwork and **Research Internship /Industry Internship** (21INT82)

Swapping Facility

Institutions can swap VII and VIII Semester Scheme of Teaching and Examinations to accommodate research internship/ industry internship after the VI semester. (2) Credits earned for the courses of VII and VIII Semester Scheme of Teaching and Examinations shall be counted against the corresponding semesters whether VII or VIII semester is completed during the beginning of IV year or later part of IV year of the program.

Elucidation: At the beginning of IV year of the programme i.e., after VI semester, VII semester classwork and VIII semester Research Internship /Industrial Internship shall be permitted to be operated simultaneously by the University so that students have ample opportunity for internship. In other words, a good percentage of the class shall attend VII semester classwork and similar percentage of others shall attend to Research Internship or Industrial Internship.

Research/Industrial Internship shall be carried out at an Industry, **NGO**, MSME, **Innovation centre, Incubation centre,** Start-up, Centers of Excellence (CoE), **Study Centre established in the parent institute** and /or at reputed research organizations / institutes. The intership can also be **rural internship**.

The mandatory Research internship /Industry internship is for **24 weeks**. The internship shall be considered as a head of passing and shall be considered for the award of degree. Those, who do not take up/complete the internship shall be declared fail and shall have to complete during the subsequent University examination after satisfying the internship requirements

INT21INT82 Research Internship/ Industry Internship/Rural Internship

Research internship: A research internship is intended to offer the flavour of current research going on in the research field. It helps students get familiarized with the field and imparts the skill required for carrying out research. Industry internship: Is an extended period of work experience undertaken by students to supplement their degree for professional development. It also helps them learn to overcome unexpected obstacles and successfully navigate organizations, perspectives, and cultures. Dealing with contingencies helps students recognize, appreciate, and adapt to organizational realities by tempering their knowledge with practical constraints.

Rural internship: A long-term goal, as proposed under the AICTE rural internship programme, shall be counted as rural internship activity.

The student can take up Interdisciplinary Research Internship or Industry Internship.

The faculty coordinator or mentor has to monitor the students' internship progress and interact with them to guide for the successful completion of the internship.

The students are permitted to carry out the internship **anywhere in India or abroad. University shall not bear any expenses incurred in respect of internship.**

B.Tech -Skill Development (Value Addition)

The **Certified Program in Embedded Systems and IoT** offered by Texas Instruments in collaboration with Edgates Technologies is designed to provide in-depth knowledge and hands-on experience in embedded systems and the Internet of Things (IoT).

Overview
The program aims to equip participants with the skills necessary to design, develop, and deploy embedded systems and IoT applications. It focuses on providing practical knowledge and hands-on experience with Texas Instruments (TI) technologies.
Course Highlights
Comprehensive Curriculum with Practical Focus
In-Depth Coverage of Embedded Systems:

- **TI Microcontroller Focus**: Deep dive into Texas Instruments' microcontrollers (such as MSP430, Tiva C series, etc.), covering architecture, features, and programming.

- **Real-Time Systems**: Mastery of Real-Time Operating Systems (RTOS), including task scheduling, synchronization, and real-time constraints.
- **Peripheral Integration**: Hands-on experience with various peripherals like ADCs, DACs, timers, and communication interfaces (SPI, I2C, UART).

IoT Integration and Development:

- **End-to-End IoT Solutions**: From sensor interfacing and data acquisition to wireless communication and cloud integration.
- **IoT Protocols and Platforms**: Detailed exploration of IoT protocols like MQTT, CoAP, and platforms such as AWS IoT, Azure IoT, etc.
- **Data Management**: Techniques for data storage, analysis, and visualization, including real-time data monitoring.

Hands-On Learning and Real-World Projects

Practical Experience:

- **Development Kits**: Utilization of Texas Instruments' development kits and software tools for hands-on exercises.
- **Lab Sessions**: Regular lab sessions and workshops to implement theoretical concepts practically.
- **Simulated Environments**: Creation of simulated environments to test and debug embedded systems and IoT applications.

Project-Based Learning:

- **Capstone Project**: Development of a comprehensive project integrating embedded systems with IoT capabilities.
- **Industry-Relevant Case Studies**: Examination and analysis of real-world scenarios and challenges faced in embedded systems and IoT projects.

Industry Collaboration and Expert Guidance

Access to Siemens Resources:

- **Capital Software**:

  Learning to use

  - Basic EV design concept with Electrical CAD(ECAD) Solutions.
  - Advance EV design with Advanced Generative Design & Simulation.
  - EV architecture Design to create new EE platforms for next Generation EV design.
  - End-End Electric Vehicle EE design.

Advanced Tools and Techniques

Siemens Tools:

- Capital Logic Designer
- Capital Harness Designer
- Capital Wiring Integrator
- Capital Harness Designer Modular
- Capital Harness Costing
- Capital E/E publisher
- Capital System Integrator
- Capital Platform Designer
- Capital Harness Process Designer

Focus on Emerging Technologies

Cutting-Edge Topics:

- **AI and Machine Learning in IoT**: Introduction to integrating AI/ML techniques with IoT for smarter applications.
- **Edge Computing**: Exploration of edge computing concepts for real-time data processing and decision-making.

Security and Compliance:

- **IoT Security**: Techniques for securing IoT devices and data.
- **Regulatory Compliance**: Understanding of regulatory standards and compliance requirements in embedded systems and IoT.

Curriculum Structure – Annexure

Career Outcome - Certified Program in Embedded Systems and IoT

Experience Level	Job Titles	Typical Responsibilities
Entry-Level 0-3 Years	- Junior Embedded Engineer	- Develop and test embedded systems
	- IoT Application Developer	- Build and deploy basic IoT solutions
	- Embedded Test Engineer	- Perform testing and validation of systems
Mid-Level 3-6 Years	- Lead Embedded Engineer	- Lead development teams, design complex systems
	- IoT Solutions Architect	- Architect and oversee IoT solutions
	- Product Development Engineer	- Manage product lifecycle, integrate new features
Senior-Level 6 and above Years	- Principal Embedded Systems Engineer	- Technical leadership, mentor teams
	- Director of IoT	- Oversee IoT division, strategy and implementation
	- R&D Manager	- Manage research and development, drive innovation

ASSESSMENT CRITERIA

ELIGIBILITY FOR EXAMINATION (ATTENDANCE)

- A student shall be considered to have satisfied the requirement of attendance for the semester, if he/she has attended not less than **75%** in aggregate of the number of working periods in each of the subjects compulsorily.
- A student who fails to complete the course in the manner stated above shall not be permitted to take the end semester examination.

EVALUATION

It is based on 100 marks, consisting of Continuous Assessment (CA) of 50% weightage and End Semester Examination (ESE) of 50% weightage.

Continuous Assessment (CA):- I-VIII Semester (50 Marks)

Continuous assessment constitutes of **50 marks**. The breakups of these 50 marks are as follows:

For 3-0-0 Model (Theory):

Continuous Assessment (CA)				
Test 1	Test 2	Average of Test 1 & 2	Case study analysis and presentation / Industrial visit report/ Mini/Minor Project/Capstone Project/ Seminar.	Class participation
50 marks	50 marks	15 marks	30 Marks	5 Marks

For 2-0-2 Model (IPCC):

Theory Part			**Lab Part**
Test 1	Test 2	Average of Test 1 & 2	Regular lab performance, record and observation submission + one mid sem lab exam + one end sem lab exam
50 marks	50 marks	15 marks	35 Marks

For 0-0-2 Lab Model (70:30):

Scheme of Continuous Assessment (CA) – Lab (100)

Day-to day lab performance all lab classes – 70 Marks

One end semester lab exam – 30 marks

Note: It is compulsory for students to maintain a minimum of 75% attendance in every subject; otherwise they are not eligible to take up the Unit test.

a) Credit: A unit by which the course work is measured. One credit is equivalent to one hour of lecture or tutorial or two hours of practical work/ field work per week in a semester. The candidate shall complete the course equivalent to minimum credit requirement as per regulations.

PEC – Professional Elective Course

OEC – Open Elective Course

SEC–Skill Enhancement Course

TD-PCL- Trans disciplinary project centric learning

b) Programme: A programme leading to award of a degree, diploma or Certificate.

c) Grade Point: It is a numerical weight allotted to each letter grade on a 10- point scale.

EXIT POINTS

I Year: Certification Course in Electrical Servicing

Sl. No.	Sub Type	Name of the Subject Open Elective	Credit	L–T–P
1	AECC	Electrical Components & wiring using CAD	4	3-0-2
2	INT/ PROJECT	Internships / Project	6	0-0-30
		Total	10	

II Year: Diploma in Electrical Engineering

Sl. No.	Sub Type	Name of the Subject Open Elective	Credit	L–T–P
1	AECC	Electrical Circuit Analysis	4	3-0-2
2	INT/ PROJECT	Internships / Project	6	0-0-30
		Total	10	

III Year: B.Sc in Control Engineering

Sl. No.	Sub Type	Name of the Subject Open Elective	Credit	L–T–P
1	AEC	Microprocessor & Controller	4	3-0-2

Total		**100 Marks**

MENTORING:

Mentoring in the department of EEE at JAIN (Deemed-to- be University) involves a good relationship between the faculty and students where experienced faculties shares their experience, skills and knowledge to support students' personal and academic growth.

This meeting process is an integral part of academics which will help the students in their academics, maintaining good relation with co-students and teachers, securing a good job and continuous development. Through regular, personalized interactions, students receive encouragement, support, and valuable insights, enabling them to navigate academic challenges effectively and refine their technical, aptitude and professional skills. The mentoring program fosters a supportive learning environment, empowering students to confidently pursue their educational and career goals, ultimately preparing them for successful futures in the rapidly evolving field of Electrical and Electronics Engineering

Project Centric Learning (PCL):

Traditional teaching methods in the Department of Computer Science and Engineering at JAIN (Deemed-to-be University) often focus on the lower levels of Bloom's Taxonomy, such as remembering and understanding, which can be time-intensive and leave little room for higher-order cognitive skills like analyzing, applying, evaluating, and creating. This approach can result in graduates who are not fully prepared for industry demands. To address this gap, the department emphasizes the importance of "Learning by Doing," a pedagogical strategy endorsed by leading academicians and industry experts. Project-based learning is a key component, where students apply classroom knowledge to real-world projects, engaging with higher-order thinking skills. This method not only reinforces foundational knowledge but also cultivates critical problem-solving abilities, creativity, and practical expertise. By integrating hands-on learning experiences, the department ensures that students develop a comprehensive skill set, making them industry-ready and capable of tackling complex challenges in the field of computer science and engineering.

PLACEMENTS & INTERNSHIP

A placement is an integral activity that takes place each year. All the eligible students are catered with adequate amount of attention to crack their final year interview and get placed in companies of their choice. With a stringent competition in the job market to match the talent availability with the job profile. This is where placement cell bridges the gap, easing the procedure of recruitment to be simpler for companies and at the same time beneficial for the students.

From the very initial stage, the Institute lays a greater emphasis on Industrial Training and Placement opportunities. The primary objective of the University's placement cell is to place all eligible students in reputed companies, right at the campus itself. The Cell helps in identifying the knowledge, skills and attitude matrices of the students coming from all walks of lives and creates job profiles for each one of them to get them placed in relevant profiles with reputed companies.

An increase in their knowledge about the industry allows them to improve their employability skills in all aspects of the sector and make informed decisions about their future career choices, in short, get job-ready. They get to know about preparing and presenting CVs, attending interviews, interacting in group discussions, etc. This kind of experience is indeed beneficial in building their personality and will certainly serve useful when facing competency-based job applications or interviews in the future.

At JAIN (Deemed to-be University), the placement cell contributes to nation building by molding students as required by corporate world.

The average placement for past 5 years has been 93%. The highest CTC for UG has been INR 16 lakhs per annum.

Campus Placement at JAIN (Deemed to-be University), Bangalore is a facility provided for the final year students of B.Com. The role of the Placement Office is of a facilitator and counsellor for placement related activities. Our enthusiastic team strives for effectively striking a match between recruiter's expectations and students' aspirations. The Placement Office does NOT guarantee a job—it is an assistance that is provided to the students to kick start a career.

Eligibility, Categorization and Registration

1. Students must register to be eligible for Final Placements. All students seeking employment are required to register for campus placement with the Placement

Office. Placement registration is for ONE ACADEMIC YEAR ONLY. Students not interested in placements are required to fill the Out of Placements (OOP) form.

2. Students with any current backlogs will not be eligible to take part in the placement process. The results of the first and second semester will be considered for the eligibility.

Placements Cell ensures to bring well-known brands on campus from across the sectors which can offer versatile roles.

Some of the top brand sectors are from Research & Consulting, Retail, and FMCG & BFSI. (Deloitte, EY, GT, KPMG, NT, Tommy Hilfiger, Bisleri, Kelloggs, Wells Fargo, BOSH, to name a few)

INTERNSHIPS

Internships are a great way to apply the knowledge from the classroom to real-world experience. Learning is one thing, but taking those skills into the workforce and applying them is a great way to explore different career paths and specializations that suit individual interests and internships play a major role in this aspect of a student's journey. Not only does this give students an edge over other candidates when applying for jobs but it also prepares them for what to expect in their field and increases confidence in their work. It also helps in networking by meeting professionals as well as other interns who has similar interests.

CO-CURRICULAR ACTIVITIES:

JAIN (Deemed-to-be University) provides a multitude of co-curricular activities to enrich student's lives beyond academics. Becoming involved in some of the clubs and associations can be a great way to meet people. Learn new skills and hone current interests. The students can help produce the "Aventure", a quarterly magazine, participate in debating competitions, broadcast online with Radio Active and volunteer within the community and much more besides.

LIBRARY

Welcome to the Library of FET, JAIN (Deemed-to-be University), a dynamic hub of knowledge and resources dedicated to fostering academic excellence and research innovation. Our Library is an essential part of the educational experience, providing students, faculty, and researchers with access to a vast array of information in Engineering, Technology, Sciences, and related fields. With a growing collection of print and digital materials, cutting-edge facilities, and a commitment to integrating the latest technological advancements, we strive to support the diverse needs of our academic community. Most of the Library's in-house services are fully computerized through the integrated KOHA 21.05 cloud software, providing access to numerous essential subscribed online and open-access e-resources. Our services are designed to enhance learning, inspire discovery, and facilitate the pursuit of knowledge in an ever-evolving landscape.

DIGITAL RESOURCES

Some of the major resources are:

1. AIAA (American Institute of Aeronautics and Astronautics)

- Number of Journals: 5
- Focus: Aerospace research, technology, and engineering.
- Popular Journals:
    - Journal of Aerospace Information Systems
    - Journal of Aircraft
    - Journal of Guidance, Control, and Dynamics

2. ASCE Library (American Society of Civil Engineers)

- Number of Journals: 42
- Focus: Civil engineering, construction, and environmental engineering.
- Popular Journals:
    - Journal of Structural Engineering
    - Journal of Environmental Engineering

3. ASME Digital Collection (American Society of Mechanical Engineers)

- Number of Journals: 35
- Focus: Mechanical engineering and related fields.
- Popular Journals:
    - Journal of Mechanical Design
    - Journal of Heat Transfer
    - Journal of Manufacturing Science and Engineering

4. EBSCO

- Number of Journals: 16,324
- Focus: A comprehensive range of disciplines, including business, health, education, and more.
- Popular Journals:
    - Harvard Business Review
    - Health Affairs
    - Educational Leadership

5. Emerald Insights

- Number of Journals: 319
- Focus: Management, information science, and engineering.
- Popular Journals:
    - Journal of Business Strategy

- International Journal of Operations & Production Management
- Journal of Knowledge Management

6. IEEE Xplore (Institute of Electrical and Electronics Engineers)

- Number of Journals: 381
- Focus: Electrical engineering, electronics, computer science, and related fields.
- Popular Journals:
  - IEEE Transactions on Industrial Electronics
  - IEEE Transactions on Communications
  - IEEE Transactions on Pattern Analysis and Machine Intelligence

7. Capital Online Database

- Details: This database might refer to a specific collection of journals or resources related to finance, economics, or business, often offered by a university or specialized institution.
- Popular Topics: Capital markets, financial analysis, economic trends.

WORKING HOURS

Monday to Friday: 8.00 am. to 8:00 pm.
Saturday: 8.00 am. to 5.30 pm
Sunday: 9:00 am. to 4:00 pm.

Instructions to the Students

1. Users have to keep their belongings in the pigeonhole box kept at the entrance of the Library

before entering the Library premises.

2. Cell Phones, jerkins, sweaters, eatables, soft drinks, carry bags; and Printed personal books are strictly prohibited inside the Library.
3. **All users should carry an ID card to the Library, Log in and Log out are mandatory through the Smart Login Scanner kept near the entrance**.
4. Users should strictly maintain silence in the Library.
5. Users are not allowed to displace the chairs.
6. Users are encouraged to browse the system Online Public Access Catalogue (OPAC) to know the resources of the Library.
7. Users can seek the help of the Library staff to locate the resources.
8. Users can request any additional resource to the Library through their HOD.
9. Cooperation with the Library staff is highly appreciated for the smooth flow of the Library operation.
10. In the event of loss of the borrower's ID card, the user must immediately inform the librarian in writing. The duplicate ID card will be issued on payment of Rs.400/-. The members will be responsible for any loss arising as a result of misuse of the lost ID card. However, Library will make all possible efforts not to issue any documents against such ID, once loss is reported and a duplicate ID is issued.

11. **User can borrow Three books at a time and be issued for fifteen days. Students can renew the books unless the book is reserved by other students.**
12. **Users are requested to return the books on or before the due date stamped on the due**

date slip. In case students fail to return the books after the due date, they have to pay a fine of Rs. 5/- per day.

13. If a user loses any document, they must immediately report it in writing to the librarian. The borrower will have to pay overdue charges in addition to the replacement cost of the

document till the recovery of the replacement cost/till he/she replaces the sound copy. In addition to the replacement cost/sound document, he has to pay 10% of the cost of the book as a processing fee. The replacement cost will be three times the cost of the original document. The user has to replace the lost document in lieu of the lost document & and do so within 30 days from the due date.

14. In the case of Journals, a document belonging to a multivolume set is lost, and then the borrower will have to pay the replacement cost of the entire set or volume, where individual volumes or issues are not available.
15. Cost once recovered will not be refunded under any circumstances.
16. Writing, marking, tracing on the Library material, tearing pages from the Library document, or any other action resulting in damaging Library material or loss to the Library is strictly forbidden.
17. Reference books can be borrowed overnight only.
18. Users are requested to Return/Renewal the document on time for the smooth flow of Library operation.
19. Users are informed to leave the books/journals/magazines on the table only.
20. Users are requested to charge their laptops only at charging points near the digital section.
21. **Photography and watching videos and movies on mobile and laptop are strictly prohibited inside the Library.**
22. Users must abide by the rules of the LIBRARY

COURSE READING (CR) MATERIALS

All Books recommended by the faculty members for the courses taught by them during a

semester are procured on a priority basis and organized separately under Course Reading (CR) and Short Lone (SL). Books placed under CR are meant for use within the Library, and SL is issued for 15 Days.

LIBRARY MEMBERSHIP

The faculty members, staff & students of the institute are required to enroll as members of the Library (upon joining the institute) by filling in the membership form available at the Library circulation desk (along with a passport-size photograph). This entitles the use of resources & services offered for the purpose of academic of academic and research work. The borrowing privileges for each category of members are given below

BORROWING PRIVILEGES

Faculty	05 Books	30 Days
	03 References Books	07 Days
	02 loose issues of a journals	05 Days
Research Scholars	05 Books	30 Days
	01 loose of a journal	05 Days
	02 Fiction Books	07 Days
PG Students	03 Books	30 Days
	01 loose issue of a Journal	05 Days
UG Students	03 Books	15 Days
	02 Fiction Books	07 Days
Administrative, Project Staff & Trainees	02 Books	15 Days
	02 loose issues of a journal	05 Days
	02 Fiction Books	07 Days

In addition, the Library has recently introduced membership open to academic institutions, industry & corporate organizations, individuals (Research, Scholar & Faculty associated with academic institutions), Alumni, and family members.

Responsibilities Of the Department of FET Library

- The Library issues barcoded ID cards for students and faculty members.
- The Library provides the following services to support the teaching and research work.
- Circulation of Reading Materials
- OPAC (Online Public Access Catalogue)
- Reference and Information Services
- Document Delivery Service (DDS)
- Inter Library Lone(ILL)
- New Arrivals of Books

- Photocopy Service
- Ask A Librarian
- Alert Service and Literature Search & Other Services

NEW SERVICES

- Plagiarism Checking: The Library offers plagiarism checking services using the Turnitin Software tool.

RESOURCE SHARING

Library signed **MoU** with **INFLIBNET-Shodhganga** and uploaded Ph.D thesis from our University. Developing Library Network (DELNET) New Delhi, British Library, IIMB & IISc Library. The Library has a cooperative arrangement with most other Libraries and Library networks in the country. Through this arrangement, Inter-Library Loan and Document Delivery Services offered to faculty members, research scholars, and students

IT RESOURCES

A good number of computers are available for accessing the Library resources including an online catalogue of holdings and e-resources. The Library has a Wi-Fi facility for connecting to the internet and accessing institute resources. Photocopies machines & printers are also available for faculty and students.

ACCESS TO LIBRARY HOLDINGS & ONLINE RESOURCES

Library operations are fully computerized and an online catalog for the entire holdings of books is accessible off campus.

http://106.51.79.124:6060/

NPTEL video lectures**: 192.168.120.140/Local Guru/**

Subscribed/licensed e-resources are also accessible on the Library website.

http://jainuniversity.ac.in/Library

ASK A LIBRARY

If you have any questions with regard to the Library and its services, please feel to contact us person, feel to contact us in person, over the telephone or by email. Library staff will be very happy to assist in marking the best use of resources to support your academic and research work

EXTRA CURRICULAR ACTIVITIES

Anveshana Science and Engineering Fair:

Anveshana is a Science and engineering competition that will culminate in a Fair where the students will exhibit their projects/models. This Competition will primarily involve undergraduate Engineering students and underprivileged school going students where the students together will follow philosophies and practices of hands-on learning, research orientation, to make models based on Engineering-Science concepts. The our ECE – JAIN (Deemed to be University) Engineering Students will mentor school students in the creation of models while inducing knowledge and confidence in them.

Evlanche club:

The Evlanche club of department of Electronics and Communication Engineering encourages and facilitates students to participate in various co-curricular and extracurricular activities. Evlanche club gives a platform for mutual interaction between likeminded students. The students will work as a team and learn lot of teams building skills. They are also encouraged to put forward their idea and work on the same to make something useful out of that idea. The club provides the freedom of thought and innovation. Thus, new ideas ignite their mind and give them a boost to perform in the activities. Often events are organized by the club so that all the students can participate and show their proficiency in electronics.

IETE student Forum (ISF):

The department of ECE is opting for the IETE (Institution of Electronics and telecommunication Engineers) professional membership which is available at different levels based on the applicant's academic qualifications and practical experience in electronics, telecommunications, computers, information technology and related areas.

OPTICAL SOCIETY OF INDIA (OSI) STUDENT CHAPTER:

OSI encourages formation of Student Chapters in academic and research institutions in India with the aim of spreading the awareness and knowledge of optical sciences and technologies among the student fraternity. Student Chapters are wholly managed by research students (including Ph.D. students) in consultation with the Faculty Advisor. OSI Student Chapters attempt to forge a long-lasting relationship between the student community and OSI.

SAMASHTI- The Student Council

SAMASHTI is a student governing body representative of JAIN (Deemed to be University). As the name suggests, Samashti represents 'Harmony' and ' Synergy' and we believe: Coming together is the beginning; Keeping together is progress; Working together is success. Samashti provides students an illustrations platform to discover and exhibit their talents. We at Samashti encourage every student to conquer their fears and bring out the best versions of themselves.

ENACTUS

Enactus is an international not-for-profit organisation that is dedicated to inspiring students to take entrepreneurial action to improve the lives of others. It is the largest organization for experimental learning and it empowers students to take up entrepreneurial action. At Enactus, JAIN (Deemed-to-be University) we are a group of strong and dedicated students striving hard to explore the entrepreneur in them, with two projects at hand in this current year and various projects executed in the previous years by our seniors, we are the social entrepreneurs division for JAIN (Deemed-to-be-University).

STUDENT CARRIER ADVISORY AND PLACEMENT SUPPORT (SCAPS)

Connect to Careers with Industry – (Internship and Placement drive process through SCAPS Forum) – which supports drives conducted as a part of Campus Hire Internships – Teaching / Industry based. SCAPS is dedicatedly working for getting the companies to campus and placing them for the right profiles.

SAMVIGYAN

SAMVIGYAN is a dual-headed exclusive forum called “Book Club and the Newsletter” which functions for the excellence of the students that predominantly focus on edutainment with voluminous practical strategies. This is the platform that turns young minds from visuals to adventures. The initiation of this Club is to build a strong and sound mind with the art of reading, expressing, and exploring the world to enlighten the knowledge of aspiration.

MODEL UNITED NATIONS (MUN)

Model United Nations is a simulation of the United Nations but there's much more to it. Model UN, simply put is a diplomatic competition. Delegates are assigned countries as portfolios and they have to express their countries beliefs in the committee in order to pass favourable resolutions. Delegates who show the most skills in negotiating, public speaking, resolution writing and diplomacy receive awards. An MUN along with simulating the UnitedNations also fosters these skills in an individual.

ANTARAL

Antaral is an initiative to bring a positive change in the society through small steps. We at JAIN (Deemed-to-be University) are creating awareness about unspoken issues prevalent in the society, initiating dialogues and discussion. We build an atmosphere of equality and opportunities among people as a part of change. We also strive to promote environmental wellbeing.

SHODHA (Student Research Development Cell)

Student Research Development Cell – SHODHA is an initiative of the School of Commerce, JAIN (Deemed-to-be University) and is aimed at enhancing the research capacity of students. The objective is to provide a platform for the students to step into research paper writing and to direct the young intuitive minds in the right direction. It enhances the research output of the students by encouraging them to publish their research paper in leading indexed / peer-reviewed / refereed / graded International and National journals. The Student Research Development Cell is also active in organizing Webinars, Workshops, National and International Conferences.

SPORTS FORUM

Sports Forum has always been one of the active forums at JAIN Deemed-to-be-University. We have organised various events and we have always encouraged participation of students at the university by guiding them to take up different paths. There are various sports we organise to encourage students to explore their abilities, few of the sports are; Cricket, Badminton, Basketball and others. There are indoor and outdoor sports we organise and ensure the events scheduled are driven as per the plans. We have a volunteer base of 100+ students at the university who work with an ambitious belief of helping othersachieve their dreams. It is always a pleasure to know that their talents are seen. We have always served each other and balanced the forum by helping others to work towards their interests

NATIONAL CADET CORPS (NCC)

National Cadet Corps is a leadership training activity for students that teaches them responsibility and resourcefulness. It also helps students to develop smart thinking, quick reasoning and reaction skills and handle various situations in an adept manner. Students,

who are physically fit, are encouraged to join the NCC (National Cadet Corps).

NATIONAL SERVICE SCHEME (NSS)

The motto of NSS "Not me but You" reflects the essence of democratic living and upholds the need for self-less service. NSS helps the students to develop appreciation towards other person's point of view and also show consideration towards other living beings. JAIN (Deemed-to-be University) encourages students to volunteer and be a part of this social wing.

PRABHAVAHA

Prabhavaha under the dicipline of Samskritam, strives hard to cater to the literary inquisitiveness of the students. It tries to develop the aesthetic sense of young mind sharpen language and dramatic skills, excel in all fields the dicipline and also aims to instill moral and cultural values among the youth. In concurrence with this motto, various guest lectures, seminars, inter-collegiate literary competitions are organized.

ARTOGRAPHY

English literary forum Artography aims at developing and enriching the creative aspects of learning. The purpose of the forum is to develop the student's confidence by providing them with a platform to exhibit their artistic oeuvre. The forum is not just restricted to literary events but also supports various forms of artistic installations such as paintings, photography, sketching, pottery, and crafts through 'Articulate': the Arts and Crafts Exhibition organized under the banner of Artography.

HINDI PARISHAD

Forum is conducts competitions, at the intercollegiate level, like Debate, Dialogue Writing, Acting and Performance Skills to hone the creative talents in students. Lectures will be delivered to promote Hindilanguage, Literature and culture of India among students.In addition to these competitions the Forum will organise 'Hindi Divas' and 'Vasantotsava' to promote and celebrate Indian Culture and Heritage.

KANNADA VEDIKE

Kannada Vedike conducts competitions like Debate, Dialogue Writing, Acting and Performance Skills to hone the creative talents in students. Lectures will be delivered to promote Kannada language and culture of Karnataka among students.

ACCOUNTING AND TAXATION CLUB

An Accounting and Taxation Club within a university setting serves as a dynamic platform for students to develop academic proficiency, acquire practical skills, and build a strong professional network. By bridging the gap between classroom learning and real-world practice, the club nurtures future leaders and equips them with the knowledge, skills, and connections necessary for success in the accounting and taxation industry. Through academic enrichment, professional development, industry exposure, and community engagement, the Accounting and Taxation Club empowers students to embark on fulfilling careers while making a positive impact on society.

FINANCE CLUB

A Finance Club in a university setting serves as a valuable platform for students interested in finance to develop their knowledge, skills, and professional networks. By focusing on financial education, professional development, networking, investment management, research, and community. Through workshops, seminars, and guest speaker sessions, the club equips students with the knowledge and skills necessary to make informed financial decisions both in their personal lives and future careers.

BUSINESS CLUB

This platform is for students to explore and engage in the world of entrepreneurship, startups, and business planning. The club serves as a space for members to delve into various business-related topics that have a global impact. Beyond theoretical discussions, the Business Club emphasizes practicality and social responsibility. By fostering an environment of learning, collaboration, and social impact, the Business Club presents an invaluable opportunity for college students to gain practical business insights and make a positive difference in the community.

CALENDAR OF EVENTS- 2023-2024

37		23	24	25	26	27	28	24 – Closing of Semester End Examination	Holiday 25 - Christmas
38		30	31						
	• Additional theory/labs/Practical session to be scheduled [Saturdays] to balance the contact hour as per the credit hours.								
02-01-2025 – Commencement of Even Semester									

University Examination:

- **December 4, 2024** – Commencement of Semester End Examination (Theory)

FET - University Important Dates:

- **October 7th:** Submission of List of Question paper Setters and BoE members for SEE [external & internal]
- **October 14th:** Dispatch of SEE Question Paper covers to Paper Setter [Internal]
- **October 30st:** Submission of SEE Question Paper Covers to University
- **November 11th: Completion of BoE [question paper scrutiny]**
- **November 20th: Finalization of Attendance, Submission of NSAR List**
- **November 24th:** Internal Assessment Marks Display
- **December 16th - 18th: Audit of Internal Assessment from University officials.**
- **November 30th: Submission of Final CA to university**

ERP System Dates:

- **July 25th: uploading of course matrix, creation of Section, Allocation of Students to the section**
- **Attendance Approval**
  - **November 20th - by HOD**
  - **November 23rd – by Center Head**
- **Internal Assessment Marks Approval**
  - **December 2rd - by HOD**
  - **December 3rd - by Center Head**

LIST OF GENERAL HOLIDAYS FOR THE YEAR - 2024 2025

Sl. No	Date	Day	Name of the Festival
1.	15.01.2024	Monday	Uttarayana Punyakala, Makara Sankranti Festival
2.	26.01.2024	Friday	Republic Day
3.	08.03.2024	Friday	Maha Shivaratri
4.	29.03.2024	Friday	Good Friday
5.	09.04.2024	Tuesday	Ugadi Festival
6.	11.04.2024	Thursday	Khutub-E-Ramzan
7.	01.05.2024	Wednesday	May Day
8.	10.05.2024	Friday	Basava Jayanthi / Akshaya Tritiya
9.	17.06.2024	Monday	Bakrid
10.	17.07.2024	Wednesday	Last Day of Moharam
11.	15.08.2024	Thursday	Independence Day
12.	07.09.2024	Saturday	Varasiddhi Vinayaka Vrata / Jain Samvatsari
13.	16.09.2024	Monday	Eid-Milad
14.	02.10.2024	Wednesday	Gandhi Jayanthi / Mahalaya Amavasye
15.	11.10.2024	Friday	Mahanavami, Ayudhapooja
16.	12.10.2024	Saturday	Vijayadashami
17.	17.10.2024	Thursday	Maharshi Valmiki Jayanthi
18.	31.10.2024	Thursday	Naraka Chaturdashi
19.	01.11.2024	Friday	Kannada Rajyothsava
20.	02.11.2024	Saturday	Balipadyami, Deepavali
21.	18.11.2024	Monday	Kanakadasa Jayanthi
22.	25.12.2024	Wednesday	Christmas

University Declared Holidays (Third (3rd) Saturday of Every Month)

Sl. No	Date	Day
23.	20.01.2024	Saturday
24.	17.02.2024	Saturday
25.	16.03.2024	Saturday
26.	20.04.2024	Saturday
27.	18.05.2024	Saturday
28.	15.06.2024	Saturday
29.	20.07.2024	Saturday
30.	17.08.2024	Saturday
31.	21.09.2024	Saturday
32.	19.10.2024	Saturday
33.	16.11.2024	Saturday
34.	21.12.2024	Saturday

Kanakapura Taluk, Ramanagara District - 562 112
P +91 80 2757 7250 - 258

NOTE TO PARENTS

1. Your first concern as a parent should be to see that your ward attends the classes regularly. Parents who permit their ward to be absent from classes unnecessarily handicap their ward's opportunity to succeed in studies.

2. You can contribute a great deal to your ward's success in the college by encouraging home study. See that your ward devotes at least two hours every day for his/ her studies at home.

3. You are expected to co-operate in the work of the college by enforcing regularity and discipline as well as by evincing interest in your child's progress. You must also extend your fullest encouragement to your son/daughter so as to enable them to participate in co-curricular and extra-curricular activities.

4. You are requested to go through the Attendance and Performance Report to ensure your ward's progress in studies & attendance on a regular basis.

5. When you are requested to meet the Head or the class teacher, it should be done immediately so that the feedback of the ward's slow progress in the class can be directly communicated.

6. Any legitimate complaint can be made at the earliest to the Head of the Department.

7. Withdrawal of your ward from class for mere social functions is not recommended because it retards his/her progress in college and minimizes his/her respect for regular hard work & attendance.

8. Encourage your ward to cultivate habits of neatness, self-help and systematic work.

9. Ensure that your ward does not bring any costly gadgets to college. College will not be responsible for the loss.

10. Please note that use of mobiles is strictly prohibited in classrooms. If it is confiscated for violating this rule it will be returned only after seven days

11. Failure to pay the fees on time will be viewed seriously.

12. Parents are requested to notify in writing in case of any change of address, E-mail IDs, Telephone numbers to the college office.

13. Parents will get an official letter if the college is taking the students out of station for projects and industrial visits. The college does not approve of any private trips or tours without the consent of the parents.

14. Parents' visit to college during class hours is not encouraged. Parents may visit the college after the sessions conclude for the day.

*

NOTE TO STUDENTS

1. Timings (online/ offline) – 08.45 am to 4.00 pm with break from 12.00 pm to 1.00 pm It is compulsory to attend the college from the very first day and the rules and regulations of the Institution must be followed.

2. The 3rd Saturday of every month is declared as a holiday for University.

3. Learning Management System (LMS) should be regularly checked by the students for syllabus, modules, assignments, case studies, notes and other updates.

4. It is mandatory to submit the assignments before the deadline.

5. Guest lectures on subject related topics will be arranged by the college on a regular basis; students are expected to dress in formals to attend these lectures/training/ workshops.

6. A student maybe required to take part in co-curricular and extra-curricular activities. When required to do so, participation will be deemed compulsory by the college authorities.

7. For fieldwork and participation in competitions, fests and extra-curricular activities, prior permission from the Dean / HOD must be taken.

8. Regarding fieldwork (Internship) given by Corporate to the students, the students are required to follow the specified rules and regulations and maintain a work diary for Internship.

9. Medical Certificates should be submitted to the HOD in person, after obtaining Class Teacher's signature, within one day of reporting back to the college.

10. Students must carry their College ID Card every day. Loss of ID card should be reported to the admin office immediately. A new ID card will be issued only after

the legal procedures are completed (a legal complaint or an FIR).

11. Students on their way to and from college are expected to report themselves in a responsible manner.

12. Students are requested to adhere to the fees payment schedule strictly to avoid unforeseen circumstances

Attendance:

- It is compulsory for students to maintain a minimum of 75% attendance in every subject, otherwise they are not eligible to take up the end semester University examination .
- Attendance of 75% is a must to take up final exams .
- Usage of Mobile Phones is strictly prohibited in the classrooms

Dress Code:

Dress Code reflects discipline and decorum of a student. At JAIN (Deemed-to-be University), a dress code is implemented in order to achieve the same. A business formal dress code enhances one's professional and personal image. The formal dress should be crisp, neat, pressed and must project a professional image of you. Any violation of the dress code, the STUDENT will NOT be PERMITTED to attend the classes.

- Boys are not allowed to wear Bermudas / shorts, torn jeans and ear- studs in the college, and they should keep their hair short and trimmed.

- Girls should not wear outfits which are transparent, short, sleeveless and three/fourth pants.

- Colourful dye of hair should be avoided Footwear (shoes) should be formal Body piercing and tattoos are not allowed.

Disciplinary Measures

- Writing on the walls, furniture or damaging any college property will not be tolerated by the management. An individual found indulging in such activities will be severely penalized.

- Students are informed to strictly use the steps/stairs and lifts allocated to them.

- Chewing gum during the class is a serious breach of discipline.

- Students are strictly prohibited from smoking in and around the college premises.

- Students are not allowed to leave the college premises during regular college hours.

- Irregular attendance, habitual idleness, neglect of assignment, disobedience and disrespect towards members of the college staff or bad moral influence, justify dismissal.

- Birthday celebrations at the college premises are strictly not allowed.
