1. ABOUT JAIN (Deemed-to-be University)

Established in 1990, JAIN (Deemed-to-be University), Bengaluru, was declared Deemed-to-be University u/s of the UGC Act 1956 by the Ministry of Human Resource Development, Government of India in July 2009. Based in Bengaluru – The Silicon Valley of India, JAIN (Deemed-to-be University) is ranked among the top universities in India and considered a cerebral destination for students worldwide and from India.

The University offers a conducive environment for learning, both in academics and extracurricular activities. Known for its emphasis on education, entrepreneurship, research and sports, JAIN (Deemed-to-be University) has some of the best minds in education and research fields, and centres that inspire entrepreneurship and ground-breaking innovations to simplify and manage life better. JAIN (Deemed-to-be University) distinguishes itself via its outlook on life, values, and principles. Its ever-evolving and open-minded system and quest for continued success and resilience, have made it one of the top universities in India.

The University has been accredited with an A++ grade attaining a cumulative grade point of 3.71 in the year 2021 by the National Assessment and Accreditation Council (NAAC). It has secured 68th nationwide rank in the National Institutional Ranking Framework (NIRF), Government of India, in 2023. Ranked 5th among the top private universities in India by the India Today magazine, the University is also an ISO 21000:2018 certified for quality management by TUV Nord.

With an unwavering commitment to academic excellence, the university fosters an environment that encourages innovation, creativity, and critical thinking. It plays a vital role in shaping a brighter future for both individuals and society as a whole.

2. UNIVERSITY VISION AND MISSION

Vision

- To foster human development through excellence in Quality Education, Research, and Entrepreneurial Development.

Mission

- To provide quality education, creating human assets / manpower and intellectual capital.
- To enhance research and development in different disciplines.
- To develop new generation entrepreneurs who will be instrumental in fuelling economic growth.
- To create able Leaders, Managers, and Technocrats.
- To foster an ethical environment founded on human values in which both spirit and skill will thrive to enrich the quality of life.

3. OFFICERS OF THE UNIVERSITY

Officers of the University:

Dr. Chenraj Roychand	Chancellor and Founder-Chairman, JAIN Group
Professor (Dr.) Raj Singh	Vice Chancellor
Dr. Dinesh Nilkant	Pro Vice Chancellor
Dr. J. Letha	Pro Vice Chancellor
Dr. Jitendra Kumar Mishra	Registrar

Other Senior Officers:

Shri. Ravindra Bhandari	Vice President
Mr. M.S. Santhosh	Joint Registrar
Ms. Aparna Prasad	Director, Communications, Human Resources and Student Fee Services
Mr. M.S. Parswanath	Director – Projects and Facilities
Dr. Shradha Kanwar	Chief Academic Officer
Dr. S. Kiran	Deputy Dean- Academics
Dr. Asha Rajiv	Director- Internal Quality Assurance Cell
Dr. Rajani Jairam	Dean- Student Affairs
Prof. N.S. Manjunath	Controller of Examinations

4. PLEDGE

I OWN MY DESTINY

- *I will be a committed learner and take ownership of my learning journey and future.*
- *I am talented and will dedicate time and effort to serving the society and my country.*
- *I will focus and commit to continuous learning, expanding my horizons and adapting to the changing world.*
- *I will nurture my inner innovator, seeking creative solutions to problems.*
- *I will foster teamwork, valuing diverse perspectives and learning from my peers.*
- *I will explore the power of networking and turn ideas into action, becoming a responsible and innovative entrepreneur.*
- *I will dream because I am part of something bigger and will strive to make a positive impact on society.*
- *I will be self-disciplined and will lead a life that is simple and successful.*
- *I will be the change I wish to see in the world, leading with courage and compassion.*

5. ABOUT FACULTY OF ENGINEERING AND TECHNOLOGY

With a proud history spanning over a decade, JAIN (Deemed-to-be University), Faculty of Engineering & Technology (JU-FET) has emerged as one of the finest and highly renowned engineering institutes in Bengaluru. JU-FET offers undergraduate (B.Tech), postgraduate (M.Tech) and many specialized programs. JU-FET is intently focused on delivering the world-class educational experience to its students. The outstanding teaching and research facilities coupled with practical and forward-thinking approach will provide a distinctive and high-quality academic experience focused on developing the skills and knowledge of the students, thereby allowing a smooth transition for them from the academic setup to the portals of the industry.

Being one of the best engineering institutes in Bengaluru, JU-FET has recognized that education can even go beyond the boundaries. Remarkable facilities and diverse co-curricular activities serve these educational purposes. The well-maintained campus provides a sense of persistent vision, stability, and management. Besides classroom training, JU-FET emphasizes on intensive interactions between students and mentors and provides excellent facilities such as technology enabled classrooms, seminar halls, auditorium, library, and much more.

6. ABOUT THE DEPARTMENT OF MECHANICAL ENGINEERING

The Department of Mechanical Engineering programme boasts industry-ready graduates thanks to specialization in Mechatronics, partnerships with renowned companies like Toyota Kirloskar Motors and Tata Technologies, and a faculty with impressive credentials from prestigious universities around the world. The department fosters excellence through its Centre of Excellence with Toyota Kirloskar Motors, IMTMA finishing school, and affiliations with professional societies like ASME and SAE. Beyond academics, Yaanthrik Club and 3D Tech Hub allow students to explore their talents, while project-based learning and access to DST-sponsored JUiNCUBATOR and Chenraj Roychand Center for Entrepreneurship (CRCE) empower them to become not just industry-ready engineers, but also innovators and entrepreneurs.

Vision

To impart quality education in the field of Mechanical Engineering enabling graduates to be ethical, innovative and entrepreneurial.

Mission

- To groom students to excel in the field of mechanical engineering through outcome based innovative education preparing them to address the challenges of modern society.
- To provide conducive environment to drive research that finds solutions to the problems of society and industry.
- To promote entrepreneurship.
- To inculcate ethics and professionalism.

7. PROGRAMMES OFFERED BY THE DEPARTMENT

Degree	Programme	Level
B,Tech.,	Mechanical Engineering • Major Specialisation in Mechatronics • Major Specialisation in Robotics	UG
M.Tech.,	Energy & Environmental Management	PG
Ph.D	Mechanical Engineering	Doctoral

8. ABOUT B.TECH., MECHANICAL ENGINEERING

Discover the dynamic Mechanical Engineering domain JAIN (Deemed-to-be University), where innovation meets excellence. Established in 2005 and granted university status in 2009, our programme fosters pioneering education, research, and industry integration. With state-of-the-art facilities and a vibrant student community, the programme offers a conducive environment for academic success, research breakthroughs, and managerial skills development. Led by expert faculty, our curriculum includes modern technologies like Mechatronics, Robotics, Smart Vehicle Technology, and Industry 4.0 alongside core principles. Being one of the best mechanical engineering colleges in Bangalore, our syllabus stays current with technological advancements and addresses real-world challenges by exposing the students to hands-on projects, case studies, internships, and cutting-edge practices.

Unique features of the programme

- AICTE Sponsored Renewable Energy Research Lab
- Underwriters Lab collaborated Fire and Combustion Research Centre
- Bosch Fuel injection test rig
- Toyota Sponsored Engine Lab
- DST Sponsored Laser Lab
- Dedicated 3D printing Lab
- NEP2020 compliant curriculum
- Industry ready curriculum (Supports Multidisciplinary through Project Centric Learning)
- Guaranteed placement assistance

Industry Partners

Toyota Kirloskar Motors: Skill enhancement on modern engine assembly and disassembly & transmission system

Tata Technologies: Professional certification programme on Electric vehicle system design and development, Finite Element Analysis – Fundamentals, Product life cycle management (PLM)

Underwriters Lab collaborated Fire and Combustion Research Centre: Short term training courses on Solar Pump, Fire testing

Indian Machine Tool Manufacturers Association – IMTMA: Skill training on Energy conservation/Energy saving in manufacturing industry

Government Tool Room & Training Centre: Skill training on Micro controllers, PLCs, sensors, transducer.

Medini Technologies : Professional certification programme on Autocad, Solidworks, 3D priniting, CATIA

PROGRAMME EDUCATIONAL OBJECTIVES (PEOs)

PEO1: Pursue careers in the mechanical and allied industries by applying their problem-solving skills and technical foundation to address complex engineering challenges.

PEO2: Work in teams discharging social responsibilities as engineers following ethical practices.

PEO3: Engage in entrepreneurial and professional society activities to meet the needs of the society.

PEO4: Engage in lifelong learning to continuously develop their technical competence in mechanical engineering, and actively participate in professional societies to foster innovation and address societal needs.

PRAGRAM OUTCOMES (POs)

PO1: Engineering knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.

PO2: Problem analysis: Identify, formulate, review research literature and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.

PO3: Design/development of solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.

PO4: Conduct investigations of complex problems: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

PO5: Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and 10odelling to complex engineering activities with an understanding of the limitations.

PO6: The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.

PO7: Environment and sustainability: Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

PO8: Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

PO9: Individual and team work: Function effectively as an individual and as a member or leader in diverse teams, and in multidisciplinary settings.

PO10: Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write

effective reports and design documentation, make effective presentations, and give and receive clear instructions.

PO11: Project management and finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

PO12: Life-long learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

PO 13: Interdisciplinary Approach: Integrate knowledge, methodologies and perspectives from multiple disciplines beyond mechanical engineering, effectively applying interdisciplinary approaches to address complex challenges and contribute to innovative solutions in diverse fields.

PROGRAMME SPECIFIC OUTCOMES (PSOs)

PSO1: Our graduates will be able to apply knowledge of design, thermal, materials, and manufacturing to solve complex problems in mechanical engineering and allied areas.

PSO2: Our graduates will create and implement new ideas on product/process design and development with the help of modern CAD/CAM/CAE tools, while considering societal and environmental factors and ensuring best engineering practices.

Robotics Specialization:

PSO3: Apply advanced robotics principles and tools (e.g., kinematics, dynamics, control systems, sensors, actuators) to design, analyse, and simulate complex robotic systems.

Mechatronics Specialization:

PSO4: Integrate mechanical, electrical, control, and computer engineering principles to design, analyse, and build intelligent mechatronic systems.

9. DURATION OF THE PROGRAMME

All Bachelor of Technology (B.Tech.,) programs at the undergraduate level are designed for a duration of 4 years, comprising 8 semesters. For students admitted under lateral entry, the program duration is 3 years, comprising 6 semesters.

Course Completion Requirements:

- Students admitted to the 1st year B.Tech program must complete the course within a period of six academic years from the date of first admission. Failure to do so will result in discontinuation of the course.
- Students admitted under the lateral entry scheme (2nd Year B.Tech) must complete the course within a period of six academic years from the date of first admission. Failure to do so will result in discontinuation of the course.

Minimum Credit Requirement:

The minimum credit requirement for a B.Tech degree is 161 credits and above as prescribed in the course matrix.

10.PEDAGOGY OF THE PROGRAMME

Innovative teaching pedagogies make creative and effective approaches to teaching and learning that go beyond traditional methods. These pedagogies aim to engage students, foster critical thinking, and promote a deeper understanding of the subject matter. An efficient delivery model is followed which focus on innovative pedagogy like collaborative learning, case studies, role plays, simulation, Project-Centric Learning, Experiential Learning, Inquiry-Based Learning and Blended Learning. These innovative teaching pedagogies can help create dynamic and engaging learning environments that promote active participation, critical thinking and deep understanding among students. Our teachers experiment and adapt the following pedagogies to suit their teaching goals, student needs, and available resources.

- **Case Study Analysis:** Developing critical thinking, problem-solving, and decision-making skills by analyzing case studies that reinforce fundamental concepts.
- **Industry-Connect:** Master Talk on the recent technologies and partial delivery on the curriculum courses by the industry experts
- **Industry Visits :** Industrial visits are pivotal for engineering students, offering practical insights that bridge classroom theory with real-world applications. The students are getting exposure to modern technologies, industry workflows, and the challenges professionals face. Enhancing the career readiness by fostering networking opportunities and providing a clearer understanding of potential career paths. Development of soft skills like communication and teamwork while inspiring innovation and critical thinking. Industrial visits enrich academic learning and prepare students for successful engineering careers.
- **Workshops on Latest Technologies: P**rovide hands-on learning and keep participants updated with cutting-edge advancements, enhancing their technical skills. They offer a competitive edge in the job market and often come with certifications that boost professional credibility. Exposure to new tools fosters innovation, creative problem-solving, and efficient workflows. These workshops also facilitate valuable networking, connecting participants with industry experts and peers. For students and professionals, they ensure relevance in rapidly evolving fields and align academic or professional

practices with current technological trends.

- **Skill-Building Sessions for Communication, Teamwork, and Leadership:**

  To enhance students' ability to articulate ideas clearly and work effectively in diverse teams. By fostering strong leadership skills, these sessions prepare individuals to manage and inspire others, driving organizational success. Improved communication and teamwork lead to better collaboration and problem-solving within groups. Overall, these sessions build foundational skills that are essential for career growth and effective workplace dynamics.

- **Activity-Based Learning:**
  - Incorporating activity-based learning for a dynamic and engaging learning process.
  - Encouraging teamwork, creativity, and practical problem-solving.
- **Research Papers**

This diverse pedagogical approach ensures students not only acquire theoretical knowledge but also develop practical skills, critical thinking, and a deep understanding of latest technological innovations.

- **Transdisciplinary Project Centric Learning (TD-PCL)**

TD-PCL educational approach that places projects and practical experiences of students at the center of the curriculum and has a stronger vocational (skill-oriented) or industry-specific focus. Projects under TD-PCL are offered as a single course and annually accounted for in the even semesters wherein student groups work on these projects throughout the year. While TD-PCL encompasses an innovative educational approach that uses meaningful projects set in authentic contexts to achieve superior learning outcomes for the student in a programme, the skill development focus of TD-PCL is addressed by the weightage assigned to Sree Kutumbh – The Marketplace Experience Lab (MPE).

TD-PCL Structure

TD-PCL is the pathway to expand learning opportunities and enable students to attain higher-order learning outcomes through research, innovation and entrepreneurship-centered transdisciplinary projects.

- **Mentoring**

Mentoring in the Outcome Based Education (OBE) framework is a strategic and student-centered approach designed to enhance the educational experience by focusing on the achievement of specific learning outcomes. Unlike traditional education systems that emphasize content delivery, OBE prioritizes the development of competencies, skills, and knowledge that students are expected to demonstrate upon completion of their courses.

1. Alignment with Learning Outcomes	**2. Personalized Learning**	**3. Continuous Assessment and Feedback**	**4. Competency Development**
5. Collaborative Learning	**6. Resource Provision**	**7. Mentor Training and Development**	**8. Evaluation and Improvement**
	9. Integration. with Institutional Goals	**10. Ethical and Inclusive Mentoring**	

Fig. Mentoring Process

In this context, mentoring plays a crucial role in guiding students toward these predefined outcomes through personalized support, continuous assessment, and targeted feedback. Mentors in an OBE system act as facilitators, helping students to set clear, achievable goals aligned with the objectives of the curriculum and help to navigate their learning paths effectively. They provide individualized learning plans tailored to each student's needs, monitor progress regularly, and encourage reflective practices to ensure continuous improvement. By fostering a collaborative learning environment, promoting practical application of skills, and facilitating access to necessary resources, mentors help students to bridge the gap between theoretical knowledge and real-world application. This holistic approach not only supports academic success but also prepares students for professional and personal challenges, making mentoring in the OBE framework a vital component of modern education.

- **Real-World Application**

Case discussions present real-world scenarios and challenges that organizations face in implementing technology. Students can apply principles and techniques to these cases, providing a bridge between theory and practice.

- **Developing Critical Thinking and Problem-Solving Skills**

Case discussions require students to analyze and evaluate information, make decisions, and propose solutions. This fosters critical thinking and problem-solving skills, both of which are essential in the manufacturing industry, where identifying and addressing quality issues is crucial.

Nature of the Courses:

The Choice Based Credit System (CBCS) comprises of Core courses, Elective courses and Ability Enhancement courses.

- Core course: A course, which should be compulsorily studied by a student as a core requirement and it consists core papers.
- Elective course: A course which can be chosen among various courses. It can be:
    - Discipline Specific Electives: Electives offered by the core discipline of study.

    - Open Electives: Electives offered by the other disciplines of study.
- Ability Enhancement Courses
- Skill Enhancement Courses

12.ASSESSMENT CRITERIA

Eligibility For Examination

- A student shall be considered to have satisfied the requirement of attendance for the semester, if he/she has attended not less than **75%** in aggregate of the number of working periods in each of the subjects compulsorily.
- A student who fails to complete the course in the manner stated above shall not be permitted to take the end semester examination.

Evaluation

It is based on 100 marks, consisting of Continuous Assessment (CA) of 50% weightage and End Semester Examination (ESE) of 50% weightage.

Eligibility to Pass

A student has to fulfill the following conditions to pass any academic programme of the University:

- A student who has earned minimum number of credits prescribed for the concerned programme as per Curriculum Structure and Scheme of Evaluation.
- Continuous Assessment (CA) and End Semester University Examination (UE)
- The percentage weightage of CA to UE is 50:50 for theory courses and for field- based courses, projects and dissertations etc.
- A student is required to secure minimum 40% in aggregate in a course to secure pass grade.
- The internal assessment will be completed within the semester and the result will be forwarded to office of the COE within three days of the last class
- The students who are already qualified in CA during the semester but got Reappear (R) grade due to whatever reasons, may opt to retain the same score.

13.PLACEMENTS AND INTERNSHIP

Placement Policy

Rules And Regulation for Academic Year 2024-25

Campus Placements at JAIN (Deemed-to-be University) is a facility available for the penultimate year students from all specializations. The Placement Office plays the role of a facilitator for placement related activities with the objective of creating employment opportunities for students of JAIN (Deemed-to-be University) by liaising with potential recruiters and providing support to students by improving their productive employability through structured training programmes. The Placement Office strives to kick-start the careers of students at JAIN (Deemed-to-be University), and does not guarantee a placement.

Minimum Eligibility Criteria for the Placements-

1. No current backlog at the time of Recruitment Process.

General Guidelines, Eligibility & Registration Process for the Placement

1. Final year students who are passing out from the Institute by the end of the academic year 2023-24 and are seeking employment should register for campus placements in the Super Set. Placement Registration is valid for the current ACADEMIC YEAR ONLY.
2. All eligible students shall have minimum eligibility as mentioned in the section "Minimum Eligibility Criteria for the placement" plus also meet the criteria specified by the recruiting organization/Company and the criteria may differ from company to company.
3. Students aspiring to go for higher education either in India or abroad or choose any other career options shall share their intention in writing with the Training and Placement Officer (TPO) & Staff Placement Coordinator before the commencement of recruitment cycle.

4. Students must attend all the Personality Development Training Programmes conducted from the first year onwards by JAIN (Deemed-to-be University). A student should maintain a minimum 80% attendance for all the placement related training conducted by the college.
5. In the case of the job fair, students should attend the fair as per the instruction of the TPO & Staff Placement coordinator.
6. A student must maintain a minimum academic attendance of 80% in all the semesters up to the campus visit of a company.
7. Students must upload their correct credentials and passport size photos and ensure there are no inaccuracies about their Grades and other relevant academic details in Superset.
8. Registration of students will be done during the month of April / May. Campus recruitment is meant for final year students.
9. An active team comprising of Faculty Chair, Faculty Advisor and Placement Ambassador from every branch is formed during the beginning of the session.
10. Students are advised to read the announcements made through Super Set, notices put up on the notice boards, go through the company website and must follow the due process for registering for the drive within the specified timelines.
11. Students shall prepare their Resume under the supervision of the faculty /Trainer of the Institute, highlighting their achievements, Summer Projects, Internships, Conferences, Workshops and anything beyond the curriculum which enhances their employability.
12. Student 1st Point of Contact for any issues related to placements and training will be Staff Placement Coordinator.
13. All students are expected to appear for all the selection processes (On & Off campus).
14. A registered student may withdraw from the placements drive not more than two times on his/her own with prior intimation and approval from the placement coordinator**.** Any student who is absent beyond 2 approved absence will be disqualified from there on for the entire campus placement period.
15. Selected/shortlisted students shall strive to improve their academic and professional competency till they join the company to avoid cancelation/withdrawal of the offer if during joining they do not meet eligibility criteria. Further, after the completion of the

graduation, the notification of the on-boarding process shall be at the discretion of the organization/company.

16. Selected students shall be obliged to honor the offer given by the organization/company to sustain the relationship of JAIN (Deemed-to-be University), Bangalore with the companies.
17. Students placed other than TPO involvement should inform the TPO for records.
18. The placement of any student is not a claim/right. University shall provide an open platform to all the eligible students as Guidelines of the University

Pre-Placements Talks (PPT) and Job Description

1. Notices of the Job Description by the respective companies will be published in Superset. Students should occupy the venue 15-minutes before the scheduled start of the Pre-placement Talks by the Company.
2. Attendance will be taken and only those students who have attended PPT will be allowed to sit for the rest of the recruitment process of the said company.
3. Students must clarify queries/doubts if any related to the package, job profile, place of work, bond details, etc with the HR officials of the Company during Pre-Placement Talks (PPT).
4. Students should be aware of the basic details of the said company they are applying for. They must refer to the website and have basic information as this helps in the HR interview.

Placement Process and Dress Code

1. It is the responsibility of the student to check the emails from the Super Set. Announcements/Updated information/Shortlisted names, etc. details will be displayed on the notice boards.
2. Students who are not meeting the eligibility criteria which is mandatorily stated by the company, will not be allowed to appear in the placement process.
3. Students are advised to be dressed in Formals for every Recruitment Drive and must carry a folder comprising of their
    - Multiple copies of the Resume.
    - Passport size colored photographs.

- Photocopy of the Certificates (10th, 12th, Graduation Mark sheets, and certificates, etc).
- College ID card.
- Certificates of any Courses completed or any Internship Certificates
- Govt ID & Address Proof (viz: Driving License, Passport, PAN card, Aadhar card, Voter ID, etc)

Discipline

1. Students should not have any disciplinary action initiated against him/her during their tenure at the College, else will be disqualified from the campus placement process.
2. Students should be on-time for placement tests and procedures.
3. Students should maintain discipline and show professional behavior in every action they make during the entire placement process. Any student found violating the protocol set by the company or defaming the Institute's name would be debarred from the placement for the rest of the academic year and it could lead to strict disciplinary action by the institute.
4. Students found cheating or misbehaving in the selection process (PPT/Test/GD/Interview) will be disqualified from the placements for the rest of the academic year.

Job Offers

1. Each student is allowed to have only one job offer. The student will be allowed to sit for further placements even he/she gets placed provided below conditions are met –

   Super Dream Companies (Above 10.0 LPA): These are top-tier companies that offer the best job opportunities, high salaries, and a good working environment. Super Dream companies are usually highly sought after by students, and they have a stringent recruitment process.

   Dream Companies (6.0 LPA – 9.99 LPA): Dream companies are also top-tier companies that offer good job opportunities and salaries, but they may not be as highly

coveted as Super Dream companies. The recruitment process for Dream companies is also competitive, but not as challenging as Super Dream companies.

Core Companies (Above 3.5 LPA): Core companies are medium-sized companies that offer good job opportunities in the core engineering sectors, such as manufacturing, infrastructure, and energy. The salaries offered by core companies are usually lower than those offered by Super Dream and Dream companies.

Mass Recruiters (4.0 LPA – 5.99 LPA): Mass recruiters are companies that offer jobs to a large number of students in a short span of time. These companies typically have a lower salary range, but they offer a lot of job opportunities. Mass recruiters often recruit for entry-level positions in the IT and BPO sectors.

Placement Training: All the Students should attend Placement Training. It is Mandatory.

Students who have 80% and above Attendance after completing the Training session only will be allowed for the Placement Process.

2. On Completion of training, Placement Eligibility Test will be conducted. Based on the performance (%) as mentioned below , Students will be allowed to attend the Companies Interviews.
3. A student, who has an offer from a IT Services Recruiter will also be eligible to appear for the Domain based /Dream Recruiter /Super Dream companies subject to his/her being eligible. Once selected by a Core/Dream Recruiter all the previous offer(s) status shall stand cancelled.
4. Student selected in Domain Companies /Dream Company /Super Dream companies must give in writing his/her consent of joining the company. No explanation/excuse/justification will be accepted for declining the offerin later point in time. Selects will have to submit consent letter (of joining) to Joint Director-Placement in person.
5. The student can have only one offer in hand based on thefollowing order of preference.
   (a) Dream Recruiter-/ Super Dream Companies - All offers from Companies in the categories listed below (b, c) willstand cancelled.
   (b) Domain Companies - All offers from Companies in the categories listed below (c) will stand cancelled.

(c) IT Services Recruiters – In case a student has no offer from any of the categoriesabove, then the offer from IT Services Recruiter will remain valid.

6. Students should appear for placement process as indicated below:
   (a) All (registered and yet-to-be-placed) students must appear for all companies that they are eligible for.
   (b) All students placed in IT Services Recruiter are also eligible for Domain based companies and registered as per their branches.
7. Students from core sectors will be allowed to sit for campus drive of core companies even if they have offers from Software/IT Companies irrespective of their package
8. If a student receives more than one offer owing to delays in the announcements of results by the companies, the student is bound to accept the job offer whose results are declared earlier.
9. If Student get internship offer he/she can appear for full time opportunity
10. If Students registered for the drive but not appear three consecutive drive he/she will be blocked for further drive
11. Students can undergo for the Internship programme in the month of August 2024 , if they cleared the selection process of companies by the placement cell. Students must maintain the academic percentage and should clear all Subjects.
12. Students getting PPO during Internship, Offer will be considered as full time Job. Once student gets the Offer from the Client, Student will be blocked as per the Policy

Offer Letters

Offers received from companies must be collected from T&P Department/Company as per timings displayed on the notice board. The responsibility of going through the offer letter and taking further actions such as signing and sending it back to the Company lies entirely on the students. In the case of students do not abide by the guidelines laid down by the companies and offer stands canceled, it will be solely the responsibility of the student.

In case the offer letter is received by the students directly from the company, a copy of the same must be submitted to the placement office

Internship Policy

Objective:

The intent of the policy pursued by the Faculty of Engineering and Technology is to acquire hands-on industrial or organizational exposure and incorporate the knowledge and skills attained through the coursework, and interact with professionals and other interns. The internship has to be significant and mutually beneficial to the intern and the organization. It is crucial that the objectives and the activities of the internship program are distinctly clarified and comprehended.

Key goals include:

- Exposure to industrial environments, enhancing technical/managerial skills.
- Learning about current technological developments.
- Using industrial experience in classroom discussions.
- Improving presentation, writing, and communication skills.
- Acting as a gateway for final placements and pre-placement offers.

Facilitation: Internships are facilitated through:

1. Earn While You Learn (EWYL): For final-year students, offering remote or on-site work with a stipend of 15k-25k. Eligible for UG & PG students in specific domains (ML, AI, Data Engineering, Cyber Security).
2. Summer Internship Program: For 2nd, 3rd, and 4th-year students, providing 4-6 weeks of real-world experience. Benefits include building resumes, professional growth, and potential job offers.

Final Year Internship Program:

During the 7th-semester break, classes for the 8th semester are conducted. Internships commence in the 8th semester, with the potential to convert into full-time placements. Students are required to complete mandatory university academic requirements on Saturdays. A collaboration with *Futurense* guarantees internships for specific courses. The internship duration is up to 10 months for *B.Tech* students and 11 months for M.Tech students. Regular monitoring and joint publications are required. Post-internship, submission of internship reports and training certificates is mandatory. Internships can also be converted into project work with mutual consent.

Benefits:

- Builds industry-institute ties.
- Eases the placement process.
- Enhances institutional credibility and branding.
- Assists in curriculum revision based on feedback.
- Improves the teaching-learning process.

Internship Pursuit:

Internships can be pursued both in-house and through external agencies. Opportunities are generated through Memorandums of Understanding (MoUs), industry collaborations, and initiatives by the Training & Placement Office. Additionally, students have the option to independently secure internships in their areas of interest.

Conduct: Interns must demonstrate honesty, punctuality, and willingness to learn. Compliance with company policies and procedures is mandatory, with disciplinary actions for any violations,

Note: All the internship & placement rules are framed & followed as per AICTE Norms.

14. CO-CURRICULAR / EXTRA CURRICULAR ACTIVITIES

CO-CURRICULAR ACTIVITIES

Yaanthrik club is a technical club formed by the students of school of mechanical engineering. The idea of the club is to kindle, support and nurture the curiosity of the young mechanical engineers through various activities. The club involves in participating in technical competitions, conducting workshops, promoting research, showcasing of projects, and so on. The club provides a unique opportunity for the students to learn, interact and shape their ideas into reality.

Club Vision

To promote and support collaborative work on various innovative thinking which will bestow learning patterns of the creative minds to the upcoming future mechanical engineers.

Club Mission

- Act as a platform to nurture the technical innovativeness of students through peer learning
- Enhance the technical and social abilities of students though club activities
- Provide a collaborative and cooperative platform for interdisciplinary research projects
- Promote sustainable development and innovations by
- promoting United nations Sustainable Development Goals (UNSDG)

EXTRA-CURRICULAR ACTIVITIES

The Faculty of Engineering & Technology, students come from diverse backgrounds worldwide, bringing various perspectives and experiences. They engage in various extracurricular and co-curricular activities on and off campus, fostering a vibrant and dynamic environment.

On campus, students participate in numerous activities organized by the cultural club, which helps them develop and showcase their skills and interests. These activities contribute to their personal growth in multiple dimensions. At FET, students not only become skilled engineers

but also evolve into well-rounded individuals through their involvement in cultural club activities.

The cultural club at FET encompasses a variety of specialized clubs catering to diverse interests.

- The Theatre Club offers opportunities in drama and mime, allowing students to express themselves through acting and performance.
- The Dance Club supports both solo and group performances, showcasing a range of dance styles.
- The Music Club supports music enthusiasts, which includes solo and group singing as well as instrumental performances.
- The Photography Club encourages students to capture moments and develop their photographic skills.
- Fashion enthusiasts can participate in the Fashion Show Club,
- The Fine Arts Club offers activities in painting, sketching, collage, and rangoli.
- For those interested in intellectual pursuits, The Literature Club organizes quizzes and debates, fostering a love for reading and critical thinking.
- The Art and Design Team at FET excels in both digital design and traditional art and craft, allowing students to explore their creativity through various mediums. This team fosters innovation and artistic expression, blending technology with classic artistic techniques.

LIBRARY

Welcome to the Library of FET, JAIN (Deemed-to-be University), a dynamic hub of knowledge and resources dedicated to fostering academic excellence and research innovation. Our Library is an essential part of the educational experience, providing students, faculty, and researchers with access to a vast array of information in Engineering, Technology, Sciences, and related fields. With a growing collection of print and digital materials, cutting-edge facilities, and a commitment to integrating the latest technological advancements, we strive to support the diverse needs of our academic community. Most of the Library's in-house services are fully computerized through the integrated KOHA 21.05 cloud software, providing access to numerous essential subscribed online and open-access e-resources. Our services are designed to enhance learning, inspire discovery, and facilitate the pursuit of knowledge in an ever-evolving landscape.

DIGITAL RESOURCES

Some of the major resources are:

1. AIAA (American Institute of Aeronautics and Astronautics)

- Number of Journals: 5
- Focus: Aerospace research, technology, and engineering.
- Popular Journals:
    - Journal of Aerospace Information Systems
    - Journal of Aircraft
    - Journal of Guidance, Control, and Dynamics

2. ASCE Library (American Society of Civil Engineers)

- Number of Journals: 42
- Focus: Civil engineering, construction, and environmental engineering.
- Popular Journals:
    - Journal of Structural Engineering
    - Journal of Environmental Engineering

3. ASME Digital Collection (American Society of Mechanical Engineers)

- Number of Journals: 35
- Focus: Mechanical engineering and related fields.
- Popular Journals:
    - Journal of Mechanical Design
    - Journal of Heat Transfer
    - Journal of Manufacturing Science and Engineering

4. EBSCO

- Number of Journals: 16,324
- Focus: A comprehensive range of disciplines, including business, health, education, and more.
- Popular Journals:
    - Harvard Business Review
    - Health Affairs
    - Educational Leadership

5. Emerald Insights

- Number of Journals: 319
- Focus: Management, information science, and engineering.
- Popular Journals:
    - Journal of Business Strategy
    - International Journal of Operations & Production Management
    - Journal of Knowledge Management

6. IEEE Xplore (Institute of Electrical and Electronics Engineers)

- Number of Journals: 381
- Focus: Electrical engineering, electronics, computer science, and related fields.
- Popular Journals:
    - IEEE Transactions on Industrial Electronics
    - IEEE Transactions on Communications

- IEEE Transactions on Pattern Analysis and Machine Intelligence

7. Capital Online Database

- Details: This database might refer to a specific collection of journals or resources related to finance, economics, or business, often offered by a university or specialized institution.
- Popular Topics: Capital markets, financial analysis, economic trends.

WORKING HOURS

Monday to Friday: 8.00 am. to 8:00 pm.

Saturday: 8.00 am. to 5.30 pm

Sunday: 9:00 am. to 4:00 pm.

Instructions to the Students

1. Users have to keep their belongings in the pigeonhole box kept at the entrance of the Library
   before entering the Library premises.
2. Cell Phones, jerkins, sweaters, eatables, soft drinks, carry bags; and Printed personal books are strictly prohibited inside the Library.
3. **All users should carry an ID card to the Library, Log in and Log out are mandatory through the Smart Login Scanner kept near the entrance**.
4. Users should strictly maintain silence in the Library.
5. Users are not allowed to displace the chairs.

6. Users are encouraged to browse the system Online Public Access Catalogue (OPAC) to know the resources of the Library.
7. Users can seek the help of the Library staff to locate the resources.
8. Users can request any additional resource to the Library through their HOD.
9. Cooperation with the Library staff is highly appreciated for the smooth flow of the Library operation.
10. In the event of loss of the borrower's ID card, the user must immediately inform the librarian in writing. The duplicate ID card will be issued on payment of Rs.400/-. The members will be responsible for any loss arising as a result of misuse of the lost ID card. However, Library will make all possible efforts not to issue any documents against such ID, once loss is reported and a duplicate ID is issued.
11. **User can borrow Three books at a time and be issued for fifteen days**. **Students can renew the books unless the book is reserved by other students.**
12. **Users are requested to return the books on or before the due date stamped on the due**
    date slip. In case students fail to return the books after the due date, they have to pay
    a fine of Rs. 5/- per day.
13. If a user loses any document, they must immediately report it in writing to the librarian. The borrower will have to pay overdue charges in addition to the replacement cost of the document till the recovery of the replacement cost/till he/she replaces the sound copy. In addition to the replacement cost/sound document, he has to pay 10% of the cost of the book as a processing fee. The replacement cost will be three times the cost of the original document. The user has to replace the lost document in lieu of the lost document & and do so within 30 days from the due date.
14. In the case of Journals, a document belonging to a multivolume set is lost, and then the borrower will have to pay the replacement cost of the entire set or volume, where individual volumes or issues are not available.
15. Cost once recovered will not be refunded under any circumstances.
16. Writing, marking, tracing on the Library material, tearing pages from the Library document, or any other action resulting in damaging Library material or loss to the Library is strictly forbidden.
17. Reference books can be borrowed overnight only.
18. Users are requested to Return/Renewal the document on time for the smooth flow of Library operation.
19. Users are informed to leave the books/journals/magazines on the table only.
20. Users are requested to charge their laptops only at charging points near the digital section.
21. **Photography and watching videos and movies on mobile and laptop are strictly prohibited inside the Library.**
22. Users must abide by the rules of the LIBRARY

COURSE READING (CR) MATERIALS

All Books recommended by the faculty members for the courses taught by them during a semester are procured on a priority basis and organized separately under Course Reading (CR) and Short Lone (SL). Books placed under CR are meant for use within the Library, and SL is issued for 15 Days.

LIBRARY MEMBERSHIP

The faculty members, staff & students of the institute are required to enroll as members of the Library (upon joining the institute) by filling in the membership form available at the Library circulation desk (along with a passport-size photograph). This entitles the use of resources & services offered for the purpose of academic of academic and research work. The borrowing privileges for each category of members are given below

BORROWING PRIVILEGES

Faculty	05 Books	30 Days
	03 References Books	07 Days
	02 loose issues of a journals	05 Days
Research Scholars	05 Books	30 Days
	01 loose of a journal	05 Days
	02 Fiction Books	07 Days
PG Students	03 Books	30 Days
	01 loose issue of a Journal	05 Days
UG Students	03 Books	15 Days
	02 Fiction Books	07 Days
Administrative, Project Staff & Trainees	02 Books	15 Days
	02 loose issues of a journal	05 Days
	02 Fiction Books	07 Days

In addition, the Library has recently introduced membership open to academic institutions, industry & corporate organizations, individuals (Research, Scholar & Faculty associated with academic institutions), Alumni, and family members.

Responsibilities Of the Department of FET Library

- The Library issues barcoded ID cards for students and faculty members.
- The Library provides the following services to support the teaching and research work.
- Circulation of Reading Materials
- OPAC (Online Public Access Catalogue)
- Reference and Information Services
- Document Delivery Service (DDS)
- Inter Library Lone(ILL)
- New Arrivals of Books
- Photocopy Service
- Ask A Librarian
- Alert Service and Literature Search & Other Services

NEW SERVICES

- Plagiarism Checking: The Library offers plagiarism checking services using the Turnitin Software tool.

RESOURCE SHARING

Library signed **MoU** with **INFLIBNET-Shodhganga** and uploaded Ph.D thesis from our University. Developing Library Network (DELNET) New Delhi, British Library, IIMB & IISc Library. The Library has a cooperative arrangement with most other Libraries and Library networks in the country. Through this arrangement, Inter-Library Loan and Document Delivery Services offered to faculty members, research scholars, and students

IT RESOURCES

A good number of computers are available for accessing the Library resources including an online catalogue of holdings and e-resources. The Library has a Wi-Fi facility for connecting to the internet and accessing institute resources. Photocopies machines & printers are also available for faculty and students.

ACCESS TO LIBRARY HOLDINGS & ONLINE RESOURCES

Library operations are fully computerized and an online catalog for the entire holdings of books is accessible off campus.

http://106.51.79.124:6060/

NPTEL video lectures**: 192.168.120.140/Local Guru/**

Subscribed/licensed e-resources are also accessible on the Library website.

http://jainuniversity.ac.in/Library

ASK A LIBRARY

If you have any questions with regard to the Library and its services, please feel to contact us person, feel to contact us in person, over the telephone or by email. Library staff will be very happy to assist in marking the best use of resources to support your academic and research work

16.LIST OF GENERAL HOLIDAYS – YEAR 2024

JU/JR/SO-05/23-1/2023/269 **Dated: 29 December, 2023**

NOTIFICATION

List of General and University Holidays for the year 2024

JAIN (Deemed-to-be University), for all units under its ambit, has declared the following General Holidays for the calendar year 2024.

Sl. No	Date	Day	Name of the Festival
1.	15.01.2024	Monday	Uttarayana Punyakala, Makara Sankranti Festival
2.	26.01.2024	Friday	Republic Day
3.	08.03.2024	Friday	Maha Shivaratri
4.	29.03.2024	Friday	Good Friday
5.	09.04.2024	Tuesday	Ugadi Festival
6.	11.04.2024	Thursday	Khutub-E-Ramzan
7.	01.05.2024	Wednesday	May Day
8.	10.05.2024	Friday	Basava Jayanthi / Akshaya Tritiya
9.	17.06.2024	Monday	Bakrid
10.	17.07.2024	Wednesday	Last Day of Moharam
11.	15.08.2024	Thursday	Independence Day
12.	07.09.2024	Saturday	Varasiddhi Vinayaka Vrata / Jain
13.	16.09.2024	Monday	Eid-Milad
14.	02.10.2024	Wednesday	Gandhi Jayanthi / Mahalaya Amavasye
15.	11.10.2024	Friday	Mahanavami, Ayudhapooja
16.	12.10.2024	Saturday	Vijayadashami
17.	17.10.2024	Thursday	Maharshi Valmiki Jayanthi
18.	31.10.2024	Thursday	Naraka Chaturdashi
19.	01.11.2024	Friday	Kannada Rajyothsava
20.	02.11.2024	Saturday	Balipadyami / Deepavali
21.	18.11.2024	Monday	Kanakadasa Jayanthi
22.	25.12.2024	Wednesday	Christmas

University Declared Holidays (Third (3rd) Saturday of Every Month)

Sl. No	Date	Day
23.	20.01.2024	Saturday
24.	17.02.2024	Saturday
25.	16.03.2024	Saturday
26.	20.04.2024	Saturday
27.	18.05.2024	Saturday
28.	15.06.2024	Saturday
29.	20.07.2024	Saturday
30.	17.08.2024	Saturday
31.	21.09.2024	Saturday
32.	19.10.2024	Saturday
33.	16.11.2024	Saturday
34.	21.12.2024	Saturday

17.NOTE TO PARENTS

Dear Parents,

We are pleased to welcome you to our prestigious institution, and we are honored that you have chosen us to educate your ward. We assure you that they have made a wise decision in pursuing their professional education with us.

Our university boasts excellent academic facilities and has consistently achieved outstanding results at the university level. We actively promote co-curricular activities and sports, and our campus provides a serene and secure environment with hostel facilities for both men and women.

We are fully committed to providing your ward with every opportunity they need to succeed. Therefore, we seek your active involvement and support in both their academic and personal development.

Please stress the importance of regular study habits at home and in the hostel. Encourage your ward to:

- Attend classes and lab work punctually and regularly. Latecomers may not be admitted by teachers, and any absences should be promptly reported to the concerned teacher.
- Submit records and assignments on time and maintain organizational skills.
- Prepare thoroughly for continuous assessment (CA) and semester-end examinations (SEE).
- Maintain positive communication with teachers and class advisors regularly.
- Adhere to university regulations regarding dress code.
- The University recommends all of its students avoid the usage of private vehicles for safety concerns.
- Parents are always welcome to visit the university. Please note that ragging is strictly prohibited. If any such incident occurs, please report it immediately to the mentor, class teacher or program head.
- Please also be aware that the university requires a minimum attendance of 85%. Discourage your ward from being absent. In case of illness resulting in more than three days' absence, please provide a Medical Certificate. However, loss of attendance cannot be compensated by producing a Medical Certificate. It is the student's responsibility to

ensure they meet the minimum attendance requirement.

- We believe that your association with the university will contribute to your ward emerging as a well-qualified engineer with a balanced outlook, professional ethics, and a humane approach to life.
- Please be informed that any student who wishes to file a grievance can contact our dedicated helpline number: +91 9148086232, or they can file the grievance at grievance@jainuniversity.ac.in

Warm regards,

18. NOTE TO STUDENTS

Dress Code:

- Boys: No Bermudas/shorts, torn jeans, or ear studs. Hair should be short and trimmed.
- Girls: No transparent, short, sleeveless outfits, or three/fourth pants.
- Avoid colorful hair dye.
- Wear formal footwear (shoes).
- No body piercings or tattoos.
- Students must present themselves responsibly on their way to and from college.
- Timings (Online/Offline): 08:45 AM to 3:45 PM with a lunch break in between for 50min.

Attendance: It is compulsory to attend college from the first day. All students must adhere to the institution's rules and regulations.

Learning Management System (LMS): Regularly check the LMS for syllabus updates, modules, assignments, case studies, notes, and other important information.

Assignment Submission: Assignments must be submitted before the deadline.

Guest Lectures and Workshops: The college will arrange regular guest lectures on course-related topics. Students are expected to dress in formal attire for these events.

Co-Curricular and Extra-Curricular Activities: Participation in these activities is mandatory when required by the college authorities.

Competitions and Fests: Prior permission from the Program Head/ HoD/Director is required for participation.

Internships: Students must follow the specified rules and regulations and maintain a work diary during internships provided by corporate partners.

Medical Certificates: Submit medical certificates to the Program Head/HoD in person, with the Class Teacher's signature, within one day of returning to college.

ID Card: Wearing ID cards inside the premises is mandatory. Failure to do so will result in denial of access to classes and other areas of the premises.

Attendance Requirement: Maintain a minimum of 85% attendance in every course to be eligible for the end-semester University examination.

Accuracy of Information: Ensure all statements and information in your application, online ERP (if any) and accompanying documents are true, correct, and complete. False information will result in forfeiture of your seat at JAIN (Deemed-to-be University), termination of your studies, and withholding of examination hall tickets or results/degrees, in addition to potential criminal prosecution.

Fee Payment: Pay all required fees (University, Residence, & Mess as applicable) on time as stipulated by the Institute/Hostel. Delayed transit of fees is not a valid excuse for late payment. Failure to pay fees as scheduled will result in being put out of rolls and restricted from registering for courses, staying in the hostel, attending classes, and writing examinations, including online ones. For any further information regarding the same, students can reach out to Prof. Samiran Bhattacharyya, Deputy Dean (Student Affairs)- JAIN (Deemed-to-be University)

Study Diligently: Develop sound character with discipline, integrity, and spiritual values.

Adherence to Rules: Obey the rules and regulations of the Institute and Residence. Preserve the property of both and discharge your duties as a student with fidelity and honor (if staying in university hostel/residences).

Class Attendance: Attend all classes/labs, including online classes, regularly. Failure to secure the required attendance will lead to repeating the semesters.

Health and Wellness: Practice good health habits and regularly participate in physical activities. Smoking, or the consumption/distribution of tobacco or alcohol on campus is punishable and may result in suspension, debarment, or expulsion.

Prohibition of Narcotics: Possessing, consuming, or distributing harmful or illegal narcotic drugs and psychotropic substances is a criminal offense and will lead to dismissal from the institution.

Maintaining Peace: Do not disturb the peace, damage Institute property, or injure others. Intimidation, initiation, and extortion are prohibited and will result in disciplinary action as per institute procedures and the law.

Morality and Political Activity: Maintain socially accepted standards of morality and do not participate in or invite political activities/leaders to campus without authorization.

Leave of Absence: Attend all class hours and seek prior permission for leave in case of ill health, emergencies, or important family events.

Avoiding Regional/Communal Activities: Do not organize or participate in any regional or communal indiscipline activities.

Legal Compliance: The Institute will not interfere in legal procedures if you create public disturbances and are subject to legal actions by authorities.

Academic Progress: If your academic progress remains poor despite intervention, you may be debarred from the Institute.

Disciplinary Measures: Violations of the code will result in warnings and suspensions. Repeated violations will lead to expulsion.

Meetings and Fund Collection: Do not organize gheraos, meetings, groups, or collect money without the knowledge of the concerned authorities.

Anti-Ragging: Ragging is a crime punishable by law. Do not indulge in any form of ragging or act of indiscipline.

Conduct on Campus: Any breach of discipline, rules violation, or bad conduct on campus or during extracurricular activities will result in admission cancellation.

Self-Harm: Inflicting self-injury or consuming harmful substances will lead to expulsion from the Institute.

Communication Response: Respond to study-related communications from JAIN (Deemed-to-be University) within 24 hours.

Cell Phone Usage: Usage of cell phones inside the class room and laboratory is not permitted. You are responsible for the safety of your personal belongings, including electronic gadgets.

Vehicle Restrictions: The University recommends all of its students avoid the usage of private vehicles for safety concerns. Residents are not permitted to keep vehicles on campus. Any off-campus vehicle use is at your own risk, and the Institute will not be responsible for accidents/incidents. Unauthorized parking will result in the vehicle being seized.

Food and Pets: Non-vegetarian food and pets are not allowed on campus or in campus hostels. Feeding stray animals in the hostel premises is prohibited.

Fee Refund Policy: No fees will be refunded after completing the enrolment process.

Compliance: Abide by all rules and regulations, which may be updated periodically. The Institute's evaluation is final in all aspects
