# 1. ABOUT JAIN (DEEMED-TO-BE UNIVERSITY)

Established in 1990, JAIN (Deemed-to-be University), Bengaluru, was declared Deemed-to-be University u/s of the UGC Act 1956 by the Ministry of Human Resource Development, Government of India in July 2009. Based in Bengaluru - The Silicon Valley of India, JAIN (Deemed-to-be University) is ranked among the top universities in India and considered a cerebral destination for students worldwide and from India.

The University offers a conducive environment for learning, both in academics and extracurricular activities. Known for its emphasis on education, entrepreneurship, research and sports, JAIN (Deemed-to-be University) has some of the best minds in education and research fields, and centres that inspire entrepreneurship and ground-breaking innovations to simplify and manage life better. JAIN (Deemed-to-be University) distinguishes itself via its outlook on life, values, and principles. Its ever-evolving and open-minded system and quest for continued success and resilience, have made it one of the top universities in India.

The University has been accredited with an A++ grade attaining a cumulative grade point of 3.71 in the year 2021 by the National Assessment and Accreditation Council (NAAC). It has secured 68th nationwide rank in the National Institutional Ranking Framework (NIRF), Government of India, in 2023. Ranked 5th among the top private universities in India by the India Today magazine, the University is also an ISO 21000:2018 certified for quality management by TUV Nord.

With an unwavering commitment to academic excellence, the university fosters an environment that encourages innovation, creativity, and critical thinking. It plays a vital role in shaping a brighter future for both individuals and society as a whole.

# 2. VISION AND MISSION OF JAIN (DEEMED-TO-BE UNIVERSITY)

## Our Vision

- To foster human development through excellence in Quality Education, Research, and Entrepreneurial Development.

## Our Mission

- To provide quality education, creating human assets / manpower and intellectual capital.
- To enhance research and development in different disciplines.
- To develop new generation entrepreneurs who will be instrumental in fueling economic growth.
- To create able Leaders, Managers, and Technocrats.
- To foster an ethical environment founded on human values in which both spirit and skill will thrive to enrich the quality of life.

# 3. OFFICERS OF THE UNIVERSITY

## Officers of the University:

| | |
|---|---|
| **Dr.ChenrajRoychand** | Chancellor and Founder-Chairman, JAIN Group |
| **Professor (Dr.) Raj Singh** | Vice Chancellor |
| **Dr. Dinesh Nilkant** | Pro Vice Chancellor |
| **Dr. J. Letha** | Pro Vice Chancellor |
| **Dr. Jitendra Kumar Mishra** | Registrar |

## Other Senior Officers:

| | |
|---|---|
| **Shri. Ravindra Bhandari** | Vice President |
| **Mr. M.S. Santhosh** | Joint Registrar |
| **Ms. Aparna Prasad** | Director, Communications, Human Resources and Student Fee Services |
| **Mr. M.S. Parswanath** | Director – Projects and Facilities |
| **Dr. Shradha Kanwar** | Chief Academic Officer |
| **Dr. S. Kiran** | Deputy Dean- Academics |
| **Dr. Asha Rajiv** | Director- Internal Quality Assurance Cell |
| **Dr. Rajani Jairam** | Dean- Student Affairs |
| **Prof. N.S. Manjunath** | Controller of Examinations |

# 4. PLEDGE

**I OWN MY DESTINY**

*I will be a committed learner and take ownership of my learning journey and future.*

*I am talented and will dedicate time and effort to serving the society and my country.*

*I will focus and commit to continuous learning, expanding my horizons and adapting to the changing world.*

*I will nurture my inner innovator, seeking creative solutions to problems.*

*I will foster teamwork, valuing diverse perspectives and learning from my peers.*

*I will explore power of networking and turn ideas into action, becoming a responsible and innovative entrepreneur.*

*I will dream because I am part of something bigger and will strive to make a positive impact on society.*

*I will be self-disciplined and will lead a life that is simple and successful.*

*I will be the change I wish to see in the world, leading with courage and compassion.*

# 5. ABOUT FACULTY OF ENGINEERING AND TECHNOLOGY

With a proud history spanning over a decade, JAIN (Deemed-to-be University), Faculty of Engineering & Technology (JU-FET) has emerged as one of the finest and highly renowned engineering institutes in Bengaluru. JU-FET offers undergraduate (B.Tech), postgraduate (M.Tech) and many specialized Programmes. JU-FET is intently focused on delivering the world-class educational experience to its students. The outstanding teaching and research facilities coupled with practical and forward-thinking approach will provide a distinctive and high-quality academic experience focused on developing the skills and knowledge of the students, thereby allowing a smooth transition for them from the academic setup to the portals of the industry.

Being one of the best engineering institutes in Bengaluru, JU-FET has recognized that education can even go beyond the boundaries. Remarkable facilities and diverse co-curricular activities serve these educational purposes. The well-maintained campus provides a sense of persistent vision, stability, and management. Besides classroom training, JU-FET emphasizes on intensive interactions between students and mentors and provides excellent facilities such as technology enabled classrooms, seminar halls, auditorium, library, and much more.

# 6. ABOUT SCHOOL OF COMPUTER SCIENCE AND ENGINEERING

The School of Computer Science and Engineering is committed to providing a dynamic and innovative learning environment that fosters continuous learning and research to meet the challenges of the rapidly evolving global landscape. The school is constantly keeping pace with the latest technological advancements and industry trends to ensure that students receive the most cutting-edge and industry-relevant education possible. The faculty members of the school are highly qualified, experienced, and dedicated to providing quality education that is tuned to the needs of the industry. They possess a unique blend of academic and industry expertise that enables them to provide students with a well-rounded education that prepares them for the challenges of the real world. The faculty members are actively involved in research and scholarly activities, regularly publishing their findings in peer-reviewed international/national journals and conferences. The school places a strong emphasis on practical and peer learning, projects, and research. Students are encouraged to develop multidimensional skill sets that cover all the required graduate attributes. They are introduced to global challenges and societal problems and are encouraged to take up projects in that direction. The students of the school have a high inclination towards entrepreneurship and research, and are well-prepared to enter the industry through placements. In addition to the academic curriculum, the school also encourages students to take part in co- curricular and extra-curricular activities. Overall, the school is dedicated to producing highly skilled and successful graduates who are ready to take on the challenges of the real world.

# 7. ABOUT THE DEPARTMENT

## Department of Computer Science and Engineering

The Department of Computer Science and Engineering is committed to providing a dynamic and innovative learning environment that fosters continuous learning and research to meet the challenges of the rapidly evolving global landscape. The department is constantly keeping pace with the latest technological advancements and industry trends to ensure that students receive the most cutting-edge and industry-relevant education possible.

The faculty members of the department are highly qualified, experienced, and dedicated to providing quality education that is tuned to the needs of the industry. They possess a unique blend of academic and industry expertise that enables them to provide students with a well-rounded education that prepares them for the challenges of the real world. The faculty members are actively involved in research and scholarly activities, regularly publishing their findings in peer-reviewed international/national journals and conferences.

The department places a strong emphasis on practical and peer learning, projects, and research. Students are encouraged to develop multidimensional skill sets that cover all the required graduate attributes. They are introduced to global challenges and societal problems and are encouraged to take up projects in that direction. The students of the department have a high inclination towards entrepreneurship and research, and are well-prepared to enter the industry through placements. In addition to the academic curriculum, the department also encourages students to take part in co-curricular and extra-curricular activities. Overall, the department is dedicated to producing highly skilled and successful graduates who are ready to take on the challenges of the real world.

**Vision**

To emerge as a cutting-edge model center for education and research in the field of Computer Science and Engineering, and to foster knowledge acquisition, human development, entrepreneurship, and the exploration of emerging technologies.

**Mission**

- To impart the quality education in innovative technologies, teaching & learning ambience in Computer Science and Engineering.

- To establish a center of excellence in collaboration with industries, research laboratories and other agencies to meet the changing needs of society.
- To provide an environment conducive to develop innovation, team spirit and Entrepreneurship.
- To practice and promote high standards of professional ethics and transparency

# 8. PROGRAMMES OFFERED BY THE DEPARTMENT

**UG :** Under Graduate **PG** : Post Graduate **PHD** : Doctor of Philosophy

| Department | Programme | UG/PG/PHD |
|---|---|---|
| Department of Computer Science and Engineering | Computer Science & Engineering | UG |
| | Computer Science & Engineering * | UG |
| | Computer Science & Engineering (Cloud Technology and Information Security) | UG |
| | Computer Science & Engineering (Mobile Applications and Cloud Technology) | UG |
| | Computer Science & Engineering (Artificial Intelligence and Machine learning) | UG |
| | Computer Science & Engineering (Artificial Intelligence and Data Engineering) | UG |
| | Computer Science &Engineering (Blockchain Technology) | UG |
| | Computer Science &Engineering (Cyber Physical Systems) | UG |
| | Computer Science &Engineering (AI-Driven DevOps) | UG |

| | | |
|---|---|---|
| Department of Computer Science and Engineering | Computer Science and Business Systems | UG |
| | Computer Science and Engineering - Internet of Things | UG |
| | Computer Engineering - Software Engineering | UG |
| | Computer Science and Engineering - Artificial Intelligence | UG |
| | Computer Science and Engineering (Cyber Security) | UG |

# 9. ABOUT THE PROGRAMME, PROGRAMME'S VISION AND MISSION, PEOs, POs, PSOs

B. Tech. program in Computer Science and Engineering with specialization in Cloud Technology and Information Security/Cloud Technology and Mobile Application (CTIS/CTMA) is specifically designed to enable students to be with familiar with concepts, process and technology in diverse areas of Cloud Technology.

Students after completing this program will be able to understand fundamental concepts sensors, embedded platforms, network, simulation tools, communication protocols, embedded systems, machine learning and AI to develop an Internet of Things application.

- Use both application-oriented and student-centric learning to help expand student's horizon of knowledge in information protection.
- Exhibit hands-on experience by applying and testing with the real time problems. Example Healthcare, agriculture and smart city applications etc.
- Create a working environment which helps in building the attitude to be an entrepreneur for preparing the technology solution for the problems in day to day life.
- Equip them, with the required technical skills that inspire students to consider a career in education, research and development.

## Programme Educational Objectives (PEOs)

Graduates of B. Tech in Computer Science & Engineering (Cloud Technology and Information Security) will be able to

**PEO1**: Apply the foundational knowledge and skills of computer science and engineering to solve real world problems efficiently.

**PEO2**: Contribute as entrepreneur or technology expert by using the techniques and engineering tools to solve complex problems.

**PEO3**: Pursue research and higher education, advancing the knowledge base of computer science and engineering.

**PEO4**: Articulate and design computational solutions to societal problems.

## Programme Outcomes (PO's)

A graduate of the Engineering Programme will demonstrate

**PO1- Engineering Knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.

**PO2- Problem Analysis:** Identify, formulate, review research literature, and analyse complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences

**PO3- Design/Development of Solutions:** Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.

**PO4- Conduct Investigations of Complex Problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

**PO5- Modern Tool Usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations.

**PO6- The Engineer and Society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues, and the consequent responsibilities relevant to the professional engineering practice.

**PO7- Environment and Sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

**PO8- Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

**PO9- Individual and Team Work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.

**PO10–Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

**PO11- Project Management and Finance:** Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

**PO12 - Life-Long Learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

## Programme Specific Outcomes (PSOs)

During the graduation students should be able to

**PSO1**: Apply the software development life cycle process in building web, mobile and cross-platform based applications using analytical skills, creativity, communication, problem solving skills and programming languages.

**PSO2**: Demonstrate proficiency in using advanced tools and techniques to implement information and cyber security solutions.

# 10. DURATION OF THE PROGRAMME

## For Under Graduate B.Tech :

- All Bachelor of Technology (B.Tech) Programmes at the undergraduate level are designed for a duration of 4 years, comprising 8 semesters. For students admitted under lateral entry, the Programme duration is 3 years, comprising 6 semesters.

**Course Completion Requirements:**

- Students admitted to the 1st year B.Tech Programme must complete the course within a period of six academic years from the date of first admission. Failure to do so will result in discontinuation of the course.
- Students admitted under the lateral entry scheme (2nd Year B.Tech) must complete the course within a period of six academic years from the date of first admission. Failure to do so will result in discontinuation of the course.

**Minimum Credit Requirement:**

- The minimum credit requirement for the B.Tech degree is 164 credits.

# 11. PEDAGOGY OF THE PROGRAMME

Innovative teaching pedagogies refer to creative and effective approaches to teaching and learning that go beyond traditional methods. These pedagogies aim to engage students, foster critical thinking, and promote a deeper understanding of the subject matter. A Max Delivery model is developed which focus on innovative pedagogy like collaborative learning, case studies, role plays, simulation tool based learning, Project Centric Learning, Experiential Learning, Inquiry-Based Learning, Peer Learning, Blended Learning are used as a part of the delivery of the courses. These innovative teaching pedagogies can help create dynamic and engaging learning environments that promote active participation, critical thinking, and deep understanding among students. Educators can experiment with and adapt these pedagogies to suit their teaching goals, student needs, and available resources.

# 12. COURSE MATRIX

## Programme Structure

| | BS | ES | HSS | Core | OE | SEC | MC | INT/ PROJECT | DSE | Total Credits |

# 13. ASSESSMENT CRITERIA

## University Assessment Pattern

### Eligibility and General Structure

To be eligible for the end semester examination, students must maintain at least 85% attendance in each subject. The university follows a comprehensive evaluation system that combines continuous assessment (CA) with end semester examinations (ESE).

For theory courses, the assessment is based on a 100-mark system, equally divided between CA and ESE. Practical courses are evaluated on a 100-mark scale, with a 70-30 split between CA and ESE respectively.

### Theory Course Evaluation (100 marks)

The continuous assessment for theory courses comprises 50 marks, broken down as follows:

| CA Component | Marks |
|---|---|
| Test 1 | 7.5 |
| Test 2 | 7.5 |
| MCQs | 5 |
| Assignment | 10 |
| Course Specific Activities* | 20 |
| Total | 50 |

*Course Specific Activities may include code demonstrations, seminars, role plays, book reviews, projects, etc.

### Practical Course Evaluation

Practical courses are evaluated through weekly experiments and tests. Each of the 12 experiments is assessed for 100 marks, and two tests per semester are conducted for 100 marks each. The total of 1400 marks is then scaled down to represent 70% of the final grade. The end semester examination accounts for the remaining 30%.

### Grading System

The university employs a relative grading system for groups of 30 or more students. The grading scale is as follows:

| Grade | Description | Grade Points |
|---|---|---|

| | | |
|---|---|---|
| O | Outstanding | 10 |
| A+ | Excellent | 9 |
| A | Very Good | 8 |
| B+ | Good | 7 |
| B | Above Average | 6 |
| C | Average | 5 |
| P | Pass | 4 |
| R | Reappear | 0 |

**SGPA and CGPA**

The Semester Grade Point Average (SGPA) is calculated for each semester, while the Cumulative Grade Point Average (CGPA) is determined for the entire Programme. A minimum SGPA of 4.0 is required to pass a semester.

**Degree Classification**

The final degree classification is based on the CGPA:

| CGPA Range | Classification |
|---|---|
| ≥9.0 | Outstanding |
| ≥8.0 to <9.0 | Distinction |
| ≥6.5 to <8.0 | First Class |
| ≥5.0 to <6.5 | Second Class |
| ≥4.0 to <5.0 | Pass Class |
| <4.0 | Reappear |

This assessment pattern ensures a comprehensive evaluation of students' performance, combining continuous assessment with end semester examinations across both theory and practical courses. The relative grading system and degree classification based on CGPA provide a fair and standardized method of assessing student achievement throughout their academic Programme.

# 14. Placements and Internship

## PLACEMENT POLICY

## Rules and Regulation for Academic Year 2024-25

Campus Placements at Jain University is a facility available for the penultimate year students from all specializations. The Placement Office plays the role of a facilitator for placement related activities with the objective of creating employment opportunities for students of Jain University by liaising with potential recruiters and providing support to students by improving their productive employability through structured training Programmes. The Placement Office strives to kick-start the careers of students at Jain University, and does not guarantee a placement.

**Minimum Eligibility Criteria for the Placements-**

1. No current backlog at the time of Recruitment Process.

### 1. General Guidelines, Eligibility & Registration Process for the Placement

1. Final year students who are passing out from the Institute by the end of the academic year 2023-24 and are seeking employment should register for campus placements in the Super Set. Placement Registration is valid for the current ACADEMIC YEAR ONLY.
2. All eligible students shall have minimum eligibility as mentioned in the section "Minimum Eligibility Criteria for the placement" plus also meet the criteria specified by the recruiting organization/Company and the criteria may differ from company to company.
3. Students aspiring to go for higher education either in India or abroad or choose any other career options shall share their intention in writing with the Training and Placement Officer (TPO) & Staff Placement Coordinator before the commencement of recruitment cycle.
4. Students must attend all the Personality Development Training Programmes conducted from the first year onwards by Jain University. A student should maintain a minimum 80% attendance for all the placement related training conducted by the college.
5. In the case of the job fair, students should attend the fair as per the instruction of the TPO & Staff Placement coordinator.
6. A student must maintain a minimum academic attendance of 80% in all the semesters up to the campus visit of a company.

7. Students must upload their correct credentials and passport size photos and ensure there are no inaccuracies about their Grades and other relevant academic details in Superset.
8. Registration of students will be done during April / May 204. Campus recruitment is meant for final year students.
9. An active team comprising of Faculty Chair, Faculty Advisor and Placement Ambassador from every branch is formed during the beginning of the session.
10. Students are advised to read the announcements made through Super Set, notices put up on the notice boards, go through the company website and must follow the due process for registering for the drive within the specified timelines.
11. Students shall prepare their Resume under the supervision of the faculty /Trainer of the Institute, highlighting their achievements, Summer Projects, Internships, Conferences, Workshops and anything beyond the curriculum which enhances their employability.
12. Student 1st Point of Contact for any issues related to placements and training will be Staff Placement Coordinator.
13. All students are expected to appear for all the selection processes (On & Off campus).
14. A registered student may withdraw from the placements drive not more than two times on his/her own with prior intimation and approval from the placement coordinator**. Any student who is absent beyond 2 approved absences will be disqualified from there on for the entire campus placement period.**
15. Selected/shortlisted students shall strive to improve their academic and professional competency till they join the company to avoid cancelation/withdrawal of the offer if during joining they do not meet eligibility criteria. Further, after the completion of the graduation, the notification of the on-boarding process shall be at the discretion of the organization/company.
16. Selected students shall be obliged to honor the offer given by the organization/company to sustain the relationship of Jain Deemed to be University, Bangalore with the companies.
17. Students placed other than TPO involvement should inform the TPO for records.
18. The placement of any student is not a claim/right. University shall provide an open platform to all the eligible students as Guidelines of the University

## 2. Pre-Placements Talks (PPT) and Job Description

1. Notices of the Job Description by the respective companies will be published in Superset. Students should occupy the venue 15-minutes before the scheduled start of the Pre-Placement Talks by the Company.
2. Attendance will be taken and only those students who have attended PPT will be allowed to sit for the rest of the recruitment process of the said company.
3. Students must clarify queries/doubts if any related to the package, job profile, place of work, bond details, etc with the HR officials of the Company during Pre-Placement Talks (PPT).
4. Students should be aware of the basic details of the said company they are applying for. They must refer to the website and have basic information as this helps in the HR interview.

## 3. Placement Process and Dress Code

1. It is the responsibility of the student to check the emails from the Super Set. Announcements/Updated information/Shortlisted names, etc. details will be displayed on the notice boards.
2. Students who are not meeting the eligibility criteria which is mandatorily stated by the company, will not be allowed to appear in the placement process.
3. Students are advised to be dressed in Formals for every Recruitment Drive and must carry a folder comprising of their:
    - Multiple copies of the Resume.
    - Passport size colored photographs.
    - Photocopy of the Certificates ($10^{th}$, $12^{th}$, Graduation Mark sheets, and certificates, etc).
    - College ID card.
    - Certificates of any Courses completed or any Internship Certificates
    - Govt ID & Address Proof (viz: Driving License, Passport, Pan card, Aadhar card, Voter ID, etc)

## 4. DISCIPLINE:

1. Students should not have any disciplinary action initiated against him/her during their tenure at the College, else will be disqualified from the campus placement process.
2. Students should be on-time for placement tests and procedures.
3. Students should maintain discipline and show professional behavior in every action they make during the entire placement process. Any student found violating the protocol set by the company or defaming the Institute's name would be debarred from the placement for the rest of the academic year and it could lead to strict disciplinary action by the institute.
4. Students found cheating or misbehaving in the selection process (PPT/Test/GD/Interview) will be disqualified from the placements for the rest of the academic year.

## 5. Job Offers:

1. Each student is allowed to have only one job offer. The student will be allowed to sit for further placements even he/she gets placed provided below conditions are met –

   **Super Dream Companies (Above 10.0 LPA)**: These are top-tier companies that offer the best job opportunities, high salaries, and a good working environment. Super Dream companies are usually highly sought after by students, and they have a stringent recruitment process.

   **Dream Companies (6.0 LPA – 9.99 LPA):** Dream companies are also top-tier companies that offer good job opportunities and salaries, but they may not be as highly coveted as Super Dream companies. The recruitment process for Dream companies is also competitive, but not as challenging as Super Dream companies.

   **Core Companies (Above 3.5 LPA)**: Core companies are medium-sized companies that offer good job opportunities in the core engineering sectors, such as manufacturing, infrastructure, and energy. The salaries offered by core companies are usually lower than those offered by Super Dream and Dream companies.

   **Mass Recruiters (4.0 LPA – 5.99 LPA)**: Mass recruiters are companies that offer jobs to a large number of students in a short span of time. These companies typically have a lower salary range, but they offer a lot of job opportunities. Mass recruiters often recruit for entry-level positions in the IT and BPO sectors.

   **Placement Training**: All the Students should attend Placement Training. It is Mandatory.

Students who have 80% and above Attendance after completing the Training session only will be allowed for the Placement Process.

1. On Completion of training, Placement Eligibility Test will be conducted. Based on the performance (%) as mentioned below, Students will be allowed to attend the Companies Interviews.
2. A student, who has an offer from a IT Services Recruiter will also be eligible to appear for the Domain based /Dream Recruiter/Super Dream companies subject to his/her being eligible. Once selected by a Core/Dream Recruiter all the previous offer(s) status shall stand cancelled.
3. Student selected in Domain Companies /Dream Company /Super Dream companies must give in writing his/her consent of joiningthecompany.Noexplanation/excuse/justificationwillbeacceptedfordeclinigtheoffer in later point in time. Selects will have to submit consent letter (of joining) to Joint Director-Placement in person.
4. Thestudentcanhaveonlyoneofferinhandbasedonthefollowingorderofpreference.
   (a) Dream Recruiter-/ Super Dream Companies –All offers from Companies in the categories listed below(b,c) will stand cancelled.
   (b) Domain Companies –All offers from Companies in the categories listed below(c) will stands cancelled.
   (c) ITServicesRecruiters–Incaseastudenthasnoofferfromanyofthecategoriesabove, then the offer from IT Services Recruiter will remain valid.
5. Students should appear for placement process as indicated below:
   (a) All (registered and yet-to-be-placed) students must appear for all companies that they are eligible for.
   (b) All students placed in IT Services Recruiter are also eligible for Domain based companies and registered as per their branches.
6. Students from core sectors will be allowed to sit for campus drive of core companies even if they have offers from Software/IT Companies irrespective of their package
7. If a student receives more than one offer owing to delays in the announcements of results by the companies, the student is bound to accept the job offer whose results are declared earlier. If Student get internship offer he/she can appear for full time opportunity

8. If Students registered for the drive but not appear three consecutive drive he/she will be blocked for further drive
9. Students can undergo for the Internship Programme in the month of August 2023, if they cleared the selection process of companies by the placement cell. Students must maintain the academic percentage and should clear all Subjects.
10. Students getting PPO during Internship, Offer will be considered as full time Job. Once student gets the Offer from the Client, Student will be blocked as per the Policy

### 6. Offer Letters:

1. Offers received from companies must be collected from T&P Department/Company as per timings displayed on the notice board. The responsibility of going through the offer letter and taking further actions such as signing and sending it back to the Company lies entirely on the students. In the case of students do not abide by the guidelines laid down by the companies and offer stands canceled, it will be solely the responsibility of the student.
2. In case the offer letter is received by the students directly from the company, a copy of the same must be submitted to the placement office.

## INTERNSHIPS:

**Objective:** Objective:

The intent of the policy pursued by the Faculty of Engineering and Technology is to acquire hands-on industrial or organizational exposure and incorporate the knowledge and skills attained through the coursework, and interact with professionals and other interns. The internship has to be significant and mutually beneficial to the intern and the organization. It is crucial that the objectives and the activities of the internship Programme are distinctly clarified and comprehended.

Key goals include:

- Exposure to industrial environments, enhancing technical/managerial skills.
- Learning about current technological developments.
- Using industrial experience in classroom discussions.

- Improving presentation, writing, and communication skills.
- Acting as a gateway for final placements and pre-placement offers.

**Facilitation:** Internships are facilitated through:

1. **Earn While You Learn (EWYL):** For final-year students, offering remote or on-site work with a stipend of 15k-25k. Eligible for UG & PG students in specific domains (ML, AI, Data Engineering, Cyber Security).
2. **Summer Internship Programme:** For 2nd, 3rd, and 4th-year students, providing 4-6 weeks of real-world experience. Benefits include building resumes, professional growth, and potential job offers.

**Final Year Internship Programme:**

During the 7th-semester break, classes for the 8th semester are conducted. Internships commence in the 8th semester, with the potential to convert into full-time placements. Students are required to complete mandatory university academic requirements on Saturdays. A collaboration with Futurense guarantees internships for specific courses. The internship duration is up to 10 months for B.Tech students and 11 months for M.Tech students. Regular monitoring and joint publications are required. Post-internship, submission of internship reports and training certificates is mandatory. Internships can also be converted into project work with mutual consent.

**Benefits:**

- Builds industry-institute ties.
- Eases the placement process.
- Enhances institutional credibility and branding.
- Assists in curriculum revision based on feedback.
- Improves the teaching-learning process.

**Internship Pursuit:**

Internships can be pursued both in-house and through external agencies. Opportunities are generated through Memorandums of Understanding (MoUs), industry collaborations, and

initiatives by the Training & Placement Office. Additionally, students have the option to independently secure internships in their areas of interest.

**Conduct:** Interns must demonstrate honesty, punctuality, and willingness to learn. Compliance with company policies and procedures is mandatory, with disciplinary actions for any violations,

**Note: All the internship & placement rules are framed & followed as per AICTE Norms.**

# 15. LIBRARY

Welcome to the Library of FET, JAIN (Deemed-to-be University), a dynamic hub of knowledge and resources dedicated to fostering academic excellence and research innovation. Our Library is an essential part of the educational experience, providing students, faculty, and researchers with access to a vast array of information in Engineering, Technology, Sciences, and related fields. With a growing collection of print and digital materials, cutting-edge facilities, and a commitment to integrating the latest technological advancements, we strive to support the diverse needs of our academic community. Most of the Library's in-house services are fully computerized through the integrated KOHA 21.05 cloud software, providing access to numerous essential subscribed online and open-access e-resources. Our services are designed to enhance learning, inspire discovery, and facilitate the pursuit of knowledge in an ever-evolving landscape.

**DIGITAL RESOURCES**

Some of the major resources are:

**1. AIAA (American Institute of Aeronautics and Astronautics)**

- Number of Journals: 5
- Focus: Aerospace research, technology, and engineering.
- Popular Journals:
    - Journal of Aerospace Information Systems
    - Journal of Aircraft
    - Journal of Guidance, Control, and Dynamics

**2. ASCE Library (American Society of Civil Engineers)**

- Number of Journals: 42
- Focus: Civil engineering, construction, and environmental engineering.
- Popular Journals:
    - Journal of Structural Engineering

- Journal of Environmental Engineering

**3. ASME Digital Collection (American Society of Mechanical Engineers)**

- Number of Journals: 35
- Focus: Mechanical engineering and related fields.
- Popular Journals:
    - Journal of Mechanical Design
    - Journal of Heat Transfer
    - Journal of Manufacturing Science and Engineering

**4. EBSCO**

- Number of Journals: 16,324
- Focus: A comprehensive range of disciplines, including business, health, education, and more.
- Popular Journals:
    - Harvard Business Review
    - Health Affairs
    - Educational Leadership

**5. Emerald Insights**

- Number of Journals: 319
- Focus: Management, information science, and engineering.
- Popular Journals:
    - Journal of Business Strategy
    - International Journal of Operations & Production Management
    - Journal of Knowledge Management

**6. IEEE Xplore (Institute of Electrical and Electronics Engineers)**

- Number of Journals: 381

- Focus: Electrical engineering, electronics, computer science, and related fields.
- Popular Journals:
    - IEEE Transactions on Industrial Electronics
    - IEEE Transactions on Communications
    - IEEE Transactions on Pattern Analysis and Machine Intelligence

**7. Capital Online Database**

- Details: This database might refer to a specific collection of journals or resources related to finance, economics, or business, often offered by a university or specialized institution.
- Popular Topics: Capital markets, financial analysis, economic trends.

## STATISTICS AT A GLANCE

**LOCATION – Central Library (2nd & 3rd Floor)**

**WORKING HOURS**

**Monday to Friday:** 8.00 am. to 8:00 pm.

**Saturday:** 8.00 am. to 5.30 pm

**Sunday:** 9:00 am. to 4:00 pm.

## Instructions to the Students

1. Users have to keep their belongings in the pigeonhole box kept at the entrance of the Library

   before entering the Library premises.

2. Cell Phones, jerkins, sweaters, eatables, soft drinks, carry bags; and Printed personal books are strictly prohibited inside the Library.

3. **All users should carry an ID card to the Library, Log in and Log out are mandatory through the Smart Login Scanner kept near the entrance**.

4. Users should strictly maintain silence in the Library.

5. Users are not allowed to displace the chairs.

6. Users are encouraged to browse the system Online Public Access Catalogue (OPAC) to know the resources of the Library.

7. Users can seek the help of the Library staff to locate the resources.

8. Users can request any additional resource to the Library through their HOD.

9. Cooperation with the Library staff is highly appreciated for the smooth flow of the Library operation.

10. In the event of loss of the borrower's ID card, the user must immediately inform the librarian in writing. The duplicate ID card will be issued on payment of Rs.400/-. The members will be responsible for any loss arising as a result of misuse of the lost ID card. However, Library will make all possible efforts not to issue any documents against such ID, once loss is reported and a duplicate ID is issued.

11. **User can borrow Three books at a time and be issued for fifteen days**. **Students can renew the books unless the book is reserved by other students.**

12. **Users are requested to return the books on or before the due date stamped on the due date slip. In case students fail to return the books after the due date, they have to pay a fine of Rs. 5/- per day.**

13. If a user loses any document, they must immediately report it in writing to the librarian. The borrower will have to pay overdue charges in addition to the replacement cost of the document till the recovery of the replacement cost/till he/she replaces the sound copy. In addition to the replacement cost/sound document, he has to pay 10% of the cost of the book as a processing fee. The replacement cost will be three times the cost of the original document. The user has to replace the lost document in lieu of the lost document & and do so within 30 days from the due date.

14. In the case of Journals, a document belonging to a multivolume set is lost, and then the borrower will have to pay the replacement cost of the entire set or volume, where individual volumes or issues are not available.

15. Cost once recovered will not be refunded under any circumstances.
16. Writing, marking, tracing on the Library material, tearing pages from the Library document, or any other action resulting in damaging Library material or loss to the Library is strictly forbidden.
17. Reference books can be borrowed overnight only.
18. Users are requested to Return/Renewal the document on time for the smooth flow of Library operation.
19. Users are informed to leave the books/journals/magazines on the table only.
20. Users are requested to charge their laptops only at charging points near the digital section.
21. **Photography and watching videos and movies on mobile and laptop are strictly prohibited inside the Library.**
22. Users must abide by the rules of the LIBRARY

**COURSE READING (CR) MATERIALS**

All Books recommended by the faculty members for the courses taught by them during a semester are procured on a priority basis and organized separately under Course Reading (CR) and Short Lone (SL). Books placed under CR are meant for use within the Library, and SL is issued for 15 Days.

**LIBRARY MEMBERSHIP**

The faculty members, staff & students of the institute are required to enroll as members of the Library (upon joining the institute) by filling in the membership form available at the Library circulation desk (along with a passport-size photograph). This entitles the use of resources & services offered for the purpose of academic of academic and research work. The borrowing privileges for each category of members are given below

**BORROWING PRIVILEGES**

| | | |
|---|---|---|
| **Faculty** | 05 Books | 30 Days |
| | 03 References Books | 07 Days |
| | 02 loose issues of a journals | 05 Days |
| **Research Scholars** | 05 Books | 30 Days |
| | 01 loose of a journal | 05 Days |
| | 02 Fiction Books | 07 Days |
| **PG Students** | 03 Books | 30 Days |

| | | |
|---|---|---|
| | 01 loose issue of a Journal | 05 Days |
| **UG Students** | 03 Books | 15 Days |
| | 02 Fiction Books | 07 Days |
| **Administrative, Project Staff & Trainees** | 02 Books | 15 Days |
| | 02 loose issues of a journal | 05 Days |
| | 02 Fiction Books | 07 Days |

In addition, the Library has recently introduced membership open to academic institutions, industry & corporate organizations, individuals (Research, Scholar & Faculty associated with academic institutions), Alumni, and family members.

**Responsibilities Of the Department of FET Library**

- The Library issues barcoded ID cards for students and faculty members.
- The Library provides the following services to support the teaching and research work.
- Circulation of Reading Materials
- OPAC (Online Public Access Catalogue)
- Reference and Information Services
- Document Delivery Service (DDS)
- Inter Library Lone(ILL)
- New Arrivals of Books
- Photocopy Service
- Ask A Librarian
- Alert Service and Literature Search & Other Services

**NEW SERVICES**

- Plagiarism Checking: The Library offers plagiarism checking services using the Turnitin Software tool.

**RESOURCE SHARING**

Library signed **MoU** with **INFLIBNET-Shodhganga** and uploaded Ph.D thesis from our University. Developing Library Network (DELNET) New Delhi, British Library, IIMB & IISc Library. The Library has a cooperative arrangement with most other Libraries and Library networks in the country. Through this arrangement, Inter-Library Loan and Document Delivery Services offered to faculty members, research scholars, and students

## IT RESOURCES

A good number of computers are available for accessing the Library resources including an online catalogue of holdings and e-resources. The Library has a Wi-Fi facility for connecting to the internet and accessing institute resources. Photocopies machines & printers are also available for faculty and students.

## ACCESS TO LIBRARY HOLDINGS & ONLINE RESOURCES

Library operations are fully computerized and an online catalog for the entire holdings of books is accessible off campus.

**http://106.51.79.124:6060/**

NPTEL video lectures**: 192.168.120.140/Local Guru/**

Subscribed/licensed e-resources are also accessible on the Library website.

**http://jainuniversity.ac.in/Library**

## ASK A LIBRARY

If you have any questions with regard to the Library and its services, please feel to contact us person, feel to contact us in person, over the telephone or by email. Library staff will be very happy to assist in marking the best use of resources to support your academic and research work

# 16. CO-CURRICULAR/EXTRA-CURRICULAR ACTIVITIES

## Co-Curricular Activities

**About NEURON:**

NEURON is the departmental club of Computer Science and Engineering specialized in Artificial Intelligence. This club has been in existence since 2018 as TopCoders and was relaunched as NEURON to better align with the purpose of the club.

**Mission**

- Our mission is to equip the students with the ability and skills to analyze, design and develop computer systems and their applications. The focus will be on developing and strengthening systems thinking, problem-solving, analysis, design, research, teamwork, and readiness for lifelong learning in areas of Artificial Intelligence, Machine Learning, and Deep-Learning.

**Goal**

- Create a community for students interested in the domain of Artificial Intelligence
- Provide a platform for students to unleash their creativity and implement their ideas.
- Encourage learning by working on common topics relating to technology and digital revolution
- Increase awareness among students about Artificial Intelligence, Machine Learning and Deep Learning through unique methods.

**Glimpses of past events**

## Extra-Curricular Activities

The Faculty of Engineering & Technology, students come from diverse backgrounds worldwide, bringing various perspectives and experiences. They engage in various extracurricular and co-curricular activities on and off campus, fostering a vibrant and dynamic environment.

On campus, students participate in numerous activities organized by the cultural club, which helps them develop and showcase their skills and interests. These activities contribute to their personal growth in multiple dimensions. At FET, students not only become skilled engineers but also evolve into well-rounded individuals through their involvement in cultural club activities.

The cultural club at FET encompasses a variety of specialized clubs catering to diverse interests.

**The Theatre Club** offers opportunities in drama and mime, allowing students to express themselves through acting and performance.

**The Dance Club** supports both solo and group performances, showcasing a range of dance styles.

**The Music Club** supports music enthusiasts, which includes solo and group singing as well as instrumental performances.

**The Photography Club** encourages students to capture moments and develop their photographic skills.

Fashion enthusiasts can participate in the **Fashion Show Club**,

**The Fine Arts Club** offers activities in painting, sketching, collage, and rangoli.

For those interested in intellectual pursuits, **The Literature Club** organizes quizzes and debates, fostering a love for reading and critical thinking.

**The Art and Design Team** at FET excels in both digital design and traditional art and craft, allowing students to explore their creativity through various mediums. This team fosters innovation and artistic expression, blending technology with classic artistic techniques.

Through these clubs, students can explore and enhance their talents, contributing to their overall development.

**Key Events at JU-FET**

The cultural club at FET organizes a range of major events that enrich the student experience and foster community spirit.

The highlight of the cultural club's calendar is **INFINITY**, a techno intercollegiate fest. This mega event attracts participants across the country, offering a platform for students to showcase their technical skills, creativity, and innovation through a series of competitions and activities.

One of the key events is **Deeksharambh**, a freshers' day celebration specifically designed for first-year UG and PG students. This event aims to welcome new students, helping them integrate into the university environment and begin their academic journey on a positive note.

The cultural club also celebrates **Kannada Rajyotsava**, a festival honoring the formation of the state of Karnataka. This celebration, primarily involving hostel students, highlights the rich cultural heritage of Karnataka and promotes cultural awareness and pride among students.

Through these diverse events, the cultural club at JU-FET not only enhances the student's educational experience but also promotes a sense of community, cultural appreciation, and personal growth.

**Magazines and Newsletters**

**Synticium Magazine: Celebrating Excellence @ FET**

Synticium is the annual magazine of the Faculty of Engineering & Technology, capturing the essence of the institution's vibrant academic and extracurricular life. This comprehensive publication serves as a chronicle of the major Programmes, activities, and achievements of both students and staff throughout the academic year.

Each edition of Synticium highlights the diverse array of events and initiatives that define the FET experience. From groundbreaking research projects and innovative technical workshops to cultural festivals and sports achievements, the magazine provides an in-depth look at the dynamic environment of the school.

**News letter**

**Kalakrithi** is a bi-annual newsletter released by the Cultural Club and NSS wing of Faculty of Engineering & Technology. This publication serves as a vibrant chronicle of the key highlights and achievements of both the Cultural Club and the NSS wing. Each issue of Kalakrithi captures the essence of the dynamic activities, from cultural festivals and artistic showcases to community service initiatives and awareness campaigns. Through engaging articles, event summaries, and vivid photographs, Kalakrithi not only celebrates the creativity and social commitment of FET students but also fosters a sense of pride and community spirit. It stands as a testament to the diverse talents and dedication of the FET family, inspiring continued participation and excellence in both cultural and social endeavours.

**Sports Forum**

The Sports Forum at the Faculty of Engineering & Technology is a vibrant hub of athletic activity, engaging over 2000+ students in a wide range of sports for both recreation and professional development. This forum plays a pivotal role in nurturing the physical and mental well-being of students while also fostering a sense of teamwork and discipline.

The forum boasts numerous sports clubs, including basketball, cricket, volleyball, kabaddi, badminton, tennis, and football, among others. These clubs provide structured opportunities for students to train, compete, and excel in their chosen sports. Many FET students have distinguished themselves by representing the college, university, state, and even the country in various competitions, showcasing their exceptional talent and dedication.

To ensure the continuous discovery and development of athletic talent, the Department of Physical Education conducts annual trials. These trials are designed to identify and nurture promising

athletes, providing them with the support and resources needed to reach their full potential. The trials are a critical component of the sports Programme, helping to build strong and competitive teams that uphold FET's proud tradition of sporting excellence.

Through the Sports Forum, FET not only promotes a healthy and active lifestyle among its students but also creates a dynamic environment where they can achieve their sporting aspirations and build lifelong skills.

**National Service Scheme (NSS)**

The NSS (National Service Scheme) wing at the Faculty of Engineering &Technology, is a cornerstone of the institution's commitment to community service and social responsibility. Through the NSS wing, students engage in a variety of activities that aim to make a positive impact on society while fostering personal growth and civic responsibility.

Key activities organized by the NSS wing include blood donation camps, health camps, and awareness campaigns on important social issues. The wing also hosts events such as Yoga Day and Fit India initiatives, promoting health and wellness among students and the broader community. Celebrations like Children's Day are marked with special events and activities, while environmental consciousness is fostered through plantation drives.

One of the standout initiatives of the NSS wing at FET is the project focused on recreating and revitalizing government schools. This involves painting school buildings and providing training and educational support to students in adopted villages. By enhancing the learning environment and offering additional resources, the NSS wing helps to improve educational outcomes and inspire young minds.

Additionally, the NSS wing is actively involved in creating awareness in nearby villages. Through various outreach Programmes, students educate community members on topics such as health, hygiene, and sustainable practices, aiming to uplift and empower these communities.

The NSS wing at JU-FET is not only a platform for students to serve society but also a means for them to develop leadership skills, empathy, and a sense of social responsibility. Through their

participation in these meaningful activities, students contribute to the betterment of society while growing as conscientious and engaged citizens.

**National Cadet Corps (NCC)**

National Cadet Corps is a leadership training activity for students that teaches them responsibility and resourcefulness. It also helps students to develop smart thinking, quick reasoning and reaction skills and handle various situations in an adept manner. Students, who are physically fit, are encouraged to join the NCC (National Cadet Corps).

# 17. CALENDAR OF EVENTS FOR THE ACADEMIC YEAR 2024-25

**Calendar of Events***

| 20. | 18-04-2025* | FRIDAY | GOODFRIDAY |

# 19. NOTE TO PARENTS

Dear Parents,

We are pleased to welcome you to our prestigious institution, and we are honored that you have chosen us to educate your ward. We assure you that they have made a wise decision in pursuing their professional education with us.

Our university boasts excellent academic facilities and has consistently achieved outstanding results at the university level. We actively promote co-curricular activities and sports, and our campus provides a serene and secure environment with hostel facilities for both men and women.

We are fully committed to providing your ward with every opportunity they need to succeed. Therefore, we seek your active involvement and support in both their academic and personal development.

Please stress the importance of regular study habits at home and in the hostel. Encourage your ward to:

- Attend classes and lab work punctually and regularly. Latecomers may not be admitted by teachers, and any absences should be promptly reported to the concerned teacher.
- Submit records and assignments on time and maintain organizational skills.
- Prepare thoroughly for continuous assessment (CA) and semester-end examinations(SEE).
- Maintain positive communication with teachers and class advisors regularly.
- Adhere to university regulations regarding dress code.
- The University recommends all of its students avoid the usage of private vehicles for safety concerns.

Parents are always welcome to visit the university. Please note that ragging is strictly prohibited. If any such incident occurs, please report it immediately to the mentor, class teacher or Programme head.

Please also be aware that the university requires a minimum attendance of 85%. Discourage your ward from being absent. In case of illness resulting in more than three days' absence, please provide a Medical Certificate. However, loss of attendance cannot be compensated by producing a Medical Certificate. It is the student's responsibility to ensure they meet the minimum attendance requirement.

We believe that your association with the university will contribute to your ward emerging as a well-qualified engineer with a balanced outlook, professional ethics, and a humane approach to life.

Please be informed that any student who wishes to file a grievance can contact our dedicated helpline number: +91 9148086232, or they can file the grievance at grievance@jainuniversity.ac.in

Warm regards,

**Dr Hariprasad SA**

Director

JAIN (Deemed-to-be University), Faculty of Engineering and Technology

Faculty of Engineering &Technology, 45th km, NH - 209, Jakkasandra Post
Bangalore - Kanakapura Main Road, Ramanagara District - 562 112www.set.jainuniversity.ac.in
| www.jainuniversity.ac.in

# 20. NOTE TO STUDENTS

- **Dress Code**:
  - **Boys**: No Bermudas/shorts, torn jeans, or ear studs. Hair should be short and trimmed.
  - **Girls**: No transparent, short, sleeveless outfits, or three/fourth pants.
  - Avoid colourful hair dye.
  - Wear formal footwear (shoes).
  - No body piercings or tattoos.
  - Students must present themselves responsibly on their way to and from college.
- **Timings (Online/Offline)**: 08:45 AM to 3:45 PM with a lunch break in between for 50min.
- **Attendance**: It is compulsory to attend college from the first day. All students must adhere to the institution's rules and regulations.
- **Learning Management System (LMS)**: Regularly check the LMS for syllabus updates, modules, assignments, case studies, notes, and other important information.
- **Assignment Submission**: Assignments must be submitted before the deadline.
- **Guest Lectures and Workshops**: The college will arrange regular guest lectures on course-related topics. Students are expected to dress in formal attire for these events.
- **Co-Curricular and Extra-Curricular Activities**: Participation in these activities is mandatory when required by the college authorities.
- **Competitions and Fests**: Prior permission from the Programme Head/ HoD/Director is required for participation.
- **Internships**: Students must follow the specified rules and regulations and maintain a work diary during internships provided by corporate partners.
- **Medical Certificates**: Submit medical certificates to the Programme Head/HoD in person, with the Class Teacher's signature, within one day of returning to college.
- **ID Card**: Wearing ID cards inside the premises is mandatory. Failure to do so will result in denial of access to classes and other areas of the premises.
- **Attendance Requirement**: Maintain a minimum of 85% attendance in every course to be eligible for the end-semester University examination.

- **Accuracy of Information**: Ensure all statements and information in your application, online ERP (if any) and accompanying documents are true, correct, and complete. False information will result in forfeiture of your seat at JAIN (Deemed-to-be University), termination of your studies, and withholding of examination hall tickets or results/degrees, in addition to potential criminal prosecution.
- **Fee Payment**: Pay all required fees (University, Residence, & Mess as applicable) on time as stipulated by the Institute/Hostel. Delayed transit of fees is not a valid excuse for late payment. Failure to pay fees as scheduled will result in being put out of rolls and restricted from registering for courses, staying in the hostel, attending classes, and writing examinations, including online ones. For any further information regarding the same, students can reach out to Prof. Samiran Bhattacharyya, Deputy Dean (Student Affairs)-JAIN (Deemed-to-be University)
- **Study Diligently**: Develop sound character with discipline, integrity, and spiritual values.
- **Adherence to Rules**: Obey the rules and regulations of the Institute and Residence. Preserve the property of both and discharge your duties as a student with fidelity and honor (if staying in university hostel/residences).
- **Class Attendance**: Attend all classes/labs, including online classes, regularly. Failure to secure the required attendance will lead to repeating the semesters.
- **Health and Wellness**: Practice good health habits and regularly participate in physical activities. Smoking, or the consumption/distribution of tobacco or alcohol on campus is punishable and may result in suspension, debarment, or expulsion.
- **Prohibition of Narcotics**: Possessing, consuming, or distributing harmful or illegal narcotic drugs and psychotropic substances is a criminal offense and will lead to dismissal from the institution.
- **Maintaining Peace**: Do not disturb the peace, damage Institute property, or injure others. Intimidation, initiation, and extortion are prohibited and will result in disciplinary action as per institute procedures and the law.
- **Morality and Political Activity**: Maintain socially accepted standards of morality and do not participate in or invite political activities/leaders to campus without authorization.
- **Leave of Absence**: Attend all class hours and seek prior permission for leave in case of ill health, emergencies, or important family events.

- **Avoiding Regional/Communal Activities**: Do not organize or participate in any regional or communal indiscipline activities.
- **Legal Compliance**: The Institute will not interfere in legal procedures if you create public disturbances and are subject to legal actions by authorities.
- **Academic Progress**: If your academic progress remains poor despite intervention, you may be debarred from the Institute.
- **Disciplinary Measures**: Violations of the code will result in warnings and suspensions. Repeated violations will lead to expulsion.
- **Meetings and Fund Collection**: Do not organize gheraos, meetings, groups, or collect money without the knowledge of the concerned authorities.
- **Anti-Ragging**: Ragging is a crime punishable by law. Do not indulge in any form of ragging or act of indiscipline.
- **Conduct on Campus**: Any breach of discipline, rules violation, or bad conduct on campus or during extracurricular activities will result in admission cancellation.
- **Self-Harm**: Inflicting self-injury or consuming harmful substances will lead to expulsion from the Institute.
- **Communication Response**: Respond to study-related communications from JAIN (Deemed-to-be University) within 24 hours.
- **Cell Phone Usage**: Usage of cell phones inside the class room and laboratory is not permitted. You are responsible for the safety of your personal belongings, including electronicgadgets.
- **Vehicle Restrictions**: The University recommends all of its students avoid the usage of private vehicles for safety concerns. Residents are not permitted to keep vehicles on campus. Any off-campus vehicle use is at your own risk, and the Institute will not be responsible for accidents/incidents. Unauthorized parking will result in the vehicle being seized.
- **Food and Pets**: Non-vegetarian food and pets are not allowed on campus or in campus hostels. Feeding stray animals in the hostel premises is prohibited.
- **Compliance**: Abide by all rules and regulations, which may be updated periodically. The Institute's evaluation is final in all aspects.
