1. ABOUT JAIN(DEEMED–TO–BE–UNIVERSITY)

Established in 1990, JAIN (Deemed-to-be University), Bengaluru, was declared Deemed-to-be University u/s of the UGC Act 1956 by the Ministry of Human Resource Development, Government of India in July 2009. Based in Bengaluru - The Silicon Valley of India, JAIN (Deemed-to-be University) is ranked among the top universities in India and considered acerebral destination for students worldwide and from India.

The University offers a conducive environment for learning, both in academics andextracurricular activities. Known for its emphasis on education, entrepreneurship, research and sports, JAIN (Deemed-to-be University) has some of the best minds in education and research fields, and centres that inspire entrepreneurship and ground-breaking innovations to simplify andmanage life better. JAIN (Deemed-to-be University) distinguishes itself via its outlook on life, values, and principles. Its ever-evolving and open-minded system and quest for continued success and resilience, have made it one of the top universities in India.

The University has been accredited with an A++ grade attaining a cumulative grade point of 3.71 in the year 2021 by the National Assessment and Accreditation Council (NAAC). It has secured 68th nationwide rank in the National Institutional Ranking Framework (NIRF), Government of India, in 2023. Ranked 5th among the top private universities in India by the India Today magazine, the University is also an ISO 21000:2018 certified for quality management by TUV Nord.

With an unwavering commitment to academic excellence, the university fosters an environment that encourages innovation, creativity, and critical thinking. It plays a vital role in shaping a brighter future for both individuals and society as a whole.

2. VISION AND MISSION OF JAIN(DEEMED-TO-BE-UNIVERSITY)

Our Vision

- To foster human development through excellence in Quality Education, Research, and Entrepreneurial Development.

Our Mission

- To provide quality education, creating human assets / manpower and intellectual capital.
- To enhance research and development in different disciplines.
- To develop new generation entrepreneurs who will be instrumental in fueling economic growth.
- To create able Leaders, Managers, and Technocrats.
- To foster an ethical environment founded on human values in which both spirit and skill will thrive to enrich the quality of life.

3. OFFICERS OF THE UNIVERSITY

Officers of the University:

Dr. Chenraj Roychand	Chancellor and Founder-Chairman, JAIN Group
Professor (Dr.) Raj Singh	Vice Chancellor
Dr. Dinesh Nilkant	Pro Vice Chancellor
Dr. J. Letha	Pro Vice Chancellor
Dr. Jitendra Kumar Mishra	Registrar

Other Senior Officers:

Shri. Ravindra Bhandari	Vice President
Mr. M.S. Santhosh	Joint Registrar
Ms. Aparna Prasad	Director, Communications, Human Resources and Student Fee Services
Mr. M.S. Parswanath	Director - Projects and Facilities
Dr. Shradha Kanwar	Chief Academic Officer
Dr. S. Kiran	Deputy Dean- Academics
Dr. Asha Rajiv	Director- Internal Quality Assurance Cell
Dr. Rajani Jairam	Dean- Student Affairs
Prof. N.S. Manjunath	Controller of Examinations

4. PLEDGE

I OWN MY DESTINY

I will be a committed learner and take ownership of my learning journey and future.

I am talented and will dedicate time and effort to serving the society and my country.

I will focus and commit to continuous learning, expanding my horizons and adapting to the changing world.

I will nurture my inner innovator, seeking creative solutions to problems.

I will foster teamwork, valuing diverse perspectives and learning from my peers.

I will explore power of networking and turn ideas into action, becoming a responsible and innovative entrepreneur.

I will dream because I am part of something bigger and will strive to make a positive impact on society.

I will be self-disciplined and will lead a life that is simple and successful.

I will be the change I wish to see in the world, leading with courage and compassion.

5. ABOUT FACULTY OF ENGINEERING AND TECHNOLOGY

With a proud history spanning over a decade, JAIN (Deemed-to-be University), Faculty of Engineering & Technology (JU-FET) has emerged as one of the finest and highly renowned engineering institutes in Bengaluru. JU-FET offers undergraduate (B.Tech), postgraduate (M.Tech) and many specialized programs. JU-FET is intently focused on delivering the world-class educational experience to its students. The outstanding teaching and research facilities coupled with practical and forward-thinking approach will provide a distinctive and high-quality academic experience focused on developing the skills and knowledge of the students, thereby allowing a smooth transition for them from the academic setup to the portals of the industry.

Being one of the best engineering institutes in Bengaluru, JU-FET has recognized that education can even go beyond the boundaries. Remarkable facilities and diverse co-curricular activities serve these educational purposes. The well-maintained campus provides a sense of persistent vision, stability, and management. Besides classroom training, JU-FET emphasizes on intensive interactions between students and mentors and provides excellent facilities such as technology enabled classrooms, seminar halls, auditorium, library, and much more.

6. ABOUT SCHOOL OF COMPUTER SCIENCE AND ENGINEERING

The school of Computer Science and Engineering is committed to providing a dynamic and innovative learning environment that fosters continuous learning and research to meet the challenges of the rapidly evolving global landscape. The department is constantly keeping pace with the latest technological advancements and industry trends to ensure that students receive the most cutting-edge and industry-relevant education possible. The faculty members of the department are highly qualified, experienced, and dedicated to providing quality education that is tuned to the needs of the industry. They possess a unique blend of academic and industry expertise that enables them to provide students with a well-rounded education that prepares themfor the challenges of the real world. The faculty members are actively involved in research and scholarly activities, regularly publishing their findings in peer-reviewed international/national journals and conferences. The department places a strong emphasis on practical and peer learning, projects, and research. Students are encouraged to develop multidimensional skill sets that cover all the required graduate attributes. They are introduced to global challenges and societal problems and are encouraged to take up projects in that direction. The students of the department have a high inclination towards entrepreneurship and research, and are well-preparedto enter the industry through placements. In addition to the academic curriculum, the department also encourages students to take part in co-curricular and extra-curricular activities. Overall, the department is dedicated to producing highly skilled and successful graduates who are ready to take on the challenges of the real world.

7. ABOUT THE DEPARTMENT

With a proud history spanning over a decade, JAIN (Deemed-to-be University), Faculty of Engineering & Technology (JU-FET) has emerged as one of the finest and highly renowned engineering institutes in Bengaluru. JU-FET offers undergraduate (B.Tech), postgraduate (M.Tech) and many specialized programs. JU-FET is intently focused on delivering the world-class educational experience to its students. The outstanding teaching and research facilities coupled with practical and forward-thinking approach will provide a distinctive and high-quality academic experience focused on developing the skills and knowledge of the students, thereby allowing a smooth transition for them from the academic setup to the portals of the industry.

Being one of the best engineering institutes in Bengaluru, JU-FET has recognized that education can even go beyond the boundaries. Remarkable facilities and diverse co-curricular activities serve these educational purposes. The well-maintained campus provides a sense of persistent vision, stability, and management. Besides classroom training, JU-FET emphasizes on intensive interactions between students and mentors and provides excellent facilities such as technology enabled classrooms, seminar halls, auditorium, library, and much more.

The Department Vision and Mission

Vision

To emerge as a cutting-edge model center for education and research in the field of Computer Science and Engineering, and to foster knowledge acquisition, human development, entrepreneurship, and the exploration of emerging technologies.

Mission

- To impart the quality education in innovative technologies, teaching & learning ambience in Computer Science and Engineering.
- To establish a center of excellence in collaboration with industries, research laboratories and other agencies to meet the changing needs of society.
- To provide an environment conducive to develop innovation, team spirit and Entrepreneurship.
- To practice and promote high standards of professional ethics and transparency

9. ABOUT THE PROGRAM, POs, PEOs AND PSOs

The B.Tech program in Computer Science and Engineering (Cybersecurity) is designed to equip students with the knowledge and skills necessary to succeed in Industry, which features emerging and exponential technologies. The course is industry-integrated and includes EC-Council certifications in Cyber Security. The program uses project-based learning to provide students with internships and career opportunities with startups and MNCs in India and abroad.

Programme Outcomes (POs)

On completion of programme our graduates will be able to

PO1- Engineering Knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.

PO2- Problem Analysis: Identify, formulate, review research literature, and analyse complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences

PO3- Design/Development of Solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.

PO4- Conduct Investigations of Complex Problems: Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.

PO5- Modern Tool Usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modelling to complex engineering activities with an understanding of the limitations.

PO6- The Engineer and Society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues, and the consequent responsibilitiesrelevant to the professional engineering practice.

PO7- Environment and Sustainability: Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.

PO8- Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

PO9-Individual and Team Work: Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.

PO10–Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

PO11- Project Management and Finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.

PO12 - Life-Long Learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

Programme Educational Objectives (PEOS)

PEO1: Graduates will be successfully equipped with advanced knowledge and skills in cybersecurity fundamentals, including cryptography, network security, and secure software development.

PEO2: Graduates will apply technical skills to anticipate and effectively respond to emerging cyber threats and vulnerabilities in dynamic digital environments.

PEO3: Graduates will have innovative thinking and problem-solving abilities to develop novel solutions for addressing evolving cybersecurity challenges.

PEO4: Graduates will navigate their careers with unwavering social awareness, ethical principles and best practices in cybersecurity to safeguard data, privacy, and critical infrastructure.

Program Specific Outcome (PSOS)

On completion of the Cyber Security program, students will be able to

- PSO 1: Apply cyber security skills to construct secure systems, from the hardware to the software to the human-computer interface.
- PSO 2: Develop cyber security skills including network defense, ethical hacking, penetration testing, application security, encryption, and cryptography as well as digital forensics.
- PSO 3: Apply advanced knowledge and skills in designing, implementing, and managing secure network architectures, including firewalls, intrusion detection/prevention systems.
- PSO 4: Apply ethical and professional standards, understanding the legal and ethical implications of cybersecurity practices.

10. DURATION OF THE PROGRAM

For Under Graduate B.Tech :

- All Bachelor of Technology (B.Tech) programs at the undergraduate level are designed for a duration of 4 years, comprising 8 semesters. For students admitted under lateral entry, the program duration is 3 years, comprising 6 semesters.

Course Completion Requirements:

- Students admitted to the 1st year B.Tech program must complete the course within a period of six academic years from the date of first admission. Failure to do so will result in discontinuation of the course.
- Students admitted under the lateral entry scheme (2nd Year B.Tech) must complete the course within a period of six academic years from the date of first admission. Failure to do so will result in discontinuation of the course.

Minimum Credit Requirement:

- The minimum credit requirement for a B.Tech degree is 161 credits.

11. PEDAGOGY OF THE PROGRAM

The pedagogy of a Cybersecurity program in Computer Science and Engineering (CSE) typically involves a blend of theoretical knowledge and practical skills with the aim to make students able to protect digital assets from various cyber threats. This course focuses on addressing the global risk of cyberattacks. It equips students with skills to set up and secure computer systems, manage information security risks, implement network security solutions, detect intrusions, conductdigital forensics investigations, and apply cybersecurity skills in real-world scenarios. Students will be able to gain practical experience in various settings to solve cybersecurity issues. The program offers global exposure, offers internships from 2nd year and integrates global certifications from EC-Council, aligning with JAIN (Deemed to-de University)'s vision of cultivating Technopreneurs.

Domain Specific Electives

Track 1-Advanced Security	Network Defence	Cryptography	Social Network Analytics	Wireless Security	Offensive, Defensive Cyber Security Techniques
Track 2-Artificial Intelligence and data analytics	Introduction to AI and ML	Data Analytics and Machine Learning for Cyber security	Introduction to Natural Language Processing	Applications of AI	Speech recognition
Track-3-IOT and Data Science	Internet of Things (IoT)	IoT Security 4.0	IoT Infrastructure management	IoT cloud and data analytics	Internet of Medical Things

Open Elective

	Finance and Accounting	**Entrepreneurship and new venture creation**	**Marketing and Management**
1	Finance for non-finance professionals	Entrepreneurship Theory and Practice	Marketing Management
2	Wealth Management	Launching and Managing an enterprise	Consumer Behaviour
3	Indian Financial System	Business Plan and Project Implementation	Brand Management
4	Financial Reporting	Sustainable Entrepreneurship	Product Management

13. ASSESSMENT CRITERIA

Eligibility and General Structure

To be eligible for the end semester examination, students must maintain at least 85% attendance in each subject. The university follows a comprehensive evaluation system that combines continuous assessment (CA) with end semester examinations (ESE).

For theory courses, the assessment is based on a 100-mark system, equally divided between CA and ESE. Practical courses are evaluated on a 100-mark scale, with a 70-30 split between CA and ESE respectively.

Theory Course Evaluation (100 marks)

The continuous assessment for theory courses comprises 50 marks, broken down as follows:

CA Component	Marks
Test 1	7.5
Test 2	7.5
MCQs	5
Assignment	10
Course Specific Activities*	20
Total	50

*Course Specific Activities may include code demonstrations, seminars, role plays, book reviews, projects, etc.

Practical Course Evaluation

Practical courses are evaluated through weekly experiments and tests. Each of the 12 experiments is assessed for 100 marks, and two tests per semester are conducted for 100 marks

each. The total of 1400 marks is then scaled down to represent 70% of the final grade. The end semester examination accounts for the remaining 30%.

Grading System

The university employs a relative grading system for groups of 30 or more students. The grading scale is as follows:

Grade	Description	Grade Points
O	Outstanding	10
A+	Excellent	9
A	Very Good	8
B+	Good	7
B	Above Average	6
C	Average	5
P	Pass	4
R	Reappear	0

SGPA and CGPA

The Semester Grade Point Average (SGPA) is calculated for each semester, while the Cumulative Grade Point Average (CGPA) is determined for the entire program. A minimum SGPA of 4.0 is required to pass a semester.

Degree Classification

The final degree classification is based on the CGPA:

CGPA Range	Classification
≥9.0	Outstanding
≥8.0 to <9.0	Distinction
≥6.5 to <8.0	First Class
≥5.0 to <6.5	Second Class

≥4.0 to <5.0	Pass Class
<4.0	Reappear

This assessment pattern ensures a comprehensive evaluation of students' performance, combining continuous assessment with end semester examinations across both theory and practical courses. The relative grading system and degree classification based on CGPA provide a fair and standardized method of assessing student achievement throughout their academic program.

14. PLACEMENTS AND INTERNSHIP

JAIN (DEEMED-TO-BE) UNIVERSITY

TRAINING AND PLACEMENT DEPARTMENT

PLACEMENT POLICY

Rules And Regulation for Academic Year 2024-25

Campus Placements at Jain University is a facility available for the penultimate year students from all specializations. The Placement Office plays the role of a facilitator for placement related activities with the objective of creating employment opportunities for students of Jain University by liaising with potential recruiters and providing support to students by improving their productive employability through structured training programs. The Placement Office strives to kick-start the careers of students at Jain University, and does not guarantee a placement.

Minimum Eligibility Criteria for the Placements-

1. No current backlog at the time of Recruitment Process.

1. General Guidelines, Eligibility & Registration Process for the Placement

1. Final year students who are passing out from the Institute by the end of the academic year 2023-24 and are seeking employment should register for campus placements in the Super Set. Placement Registration is valid for the current ACADEMIC YEAR ONLY.
2. All eligible students shall have minimum eligibility as mentioned in the section "Minimum Eligibility Criteria for the placement" plus also meet the criteria specified by the recruiting organization/Company and the criteria may differ from company to company.
3. Students aspiring to go for higher education either in India or abroad or choose any other career options shall share their intention in writing with the Training and Placement

Officer (TPO) & Staff Placement Coordinator before the commencement of recruitment cycle.

4. Students must attend all the Personality Development Training Programs conducted from the first year onwards by Jain University. A student should maintain a minimum 80% attendance for all the placement related training conducted by the college.
5. In the case of the job fair, students should attend the fair as per the instruction of the TPO & Staff Placement coordinator.
6. A student must maintain a minimum academic attendance of 80% in all the semesters up to the campus visit of a company.
7. Students must upload their correct credentials and passport size photos and ensure there are no inaccuracies about their Grades and other relevant academic details in Superset.
8. Registration of students will be done during April / May 204. Campus recruitment is meant for final year students.
9. An active team comprising of Faculty Chair, Faculty Advisor and PlacementAmbassador from every branch is formed during the beginning of the session.
10. Students are advised to read the announcements made through Super Set, notices put up on the notice boards, go through the company website and must follow the due process for registering for the drive within the specified timelines.
11. Students shall prepare their Resume under the supervision of the faculty /Trainer of the Institute, highlighting their achievements, Summer Projects, Internships, Conferences, Workshops and anything beyond the curriculum which enhances their employability.
12. Student 1st Point of Contact for any issues related to placements and training will be Staff Placement Coordinator.
13. All students are expected to appear for all the selection processes (On & Off campus).
14. A registered student may withdraw from the placements drive not more than two times on his/her own with prior intimation and approval from the placement coordinator**. Any student who is absent beyond 2 approved absence will be disqualified from there on for the entire campus placement period.**

15. Selected/shortlisted students shall strive to improve their academic and professional competency till they join the company to avoid cancelation/withdrawal of the offer if during joining they do not meet eligibility criteria. Further, after the completion of the graduation, the notification of the on-boarding process shall be at the discretion of the organization/company.
16. Selected students shall be obliged to honor the offer given by the organization/company to sustain the relationship of Jain Deemed to be University, Bangalore with the companies.
17. Students placed other than TPO involvement should inform the TPO for records.
18. The placement of any student is not a claim/right. University shall provide an open platform to all the eligible students as Guidelines of the University.

2. Pre-Placements Talks (PPT) and Job Description

1. Notices of the Job Description by the respective companies will be published in Superset. Students should occupy the venue 15-minutes before the scheduled start of the Pre-placement Talks by the Company.
2. Attendance will be taken and only those students who have attended PPT will be allowed to sit for the rest of the recruitment process of the said company.
3. Students must clarify queries/doubts if any related to the package, job profile, place of work, bond details, etc with the HR officials of the Company during Pre-Placement Talks (PPT).
4. Students should be aware of the basic details of the said company they are applying for. They must refer to the website and have basic information as this helps in the HR interview.

3. Placement Process and Dress Code-

1. It is the responsibility of the student to check the emails from the Super Set. Announcements/Updated information/Shortlisted names, etc. details will be displayed on the notice boards.
2. Students who are not meeting the eligibility criteria which is mandatorily stated by the company, will not be allowed to appear in the placement process.
3. Students are advised to be dressed in Formals for every Recruitment Drive and must carry a folder comprising of their
    - Multiple copies of the Resume.
    - Passport size colored photographs.
    - Photocopy of the Certificates (10th, 12th, Graduation Mark sheets, and certificates, etc).
    - College ID card.
    - Certificates of any Courses completed or any Internship Certificates
    - Govt ID & Address Proof (viz: Driving License, Passport, Pan card, Aadhar card, Voter ID, etc)

4. DISCIPLINE:

1. Students should not have any disciplinary action initiated against him/her during their tenure at the College, else will be disqualified from the campus placement process.
2. Students should be on-time for placement tests and procedures.
3. Students should maintain discipline and show professional behavior in every action they make during the entire placement process. Any student found violating the protocol set by the company or defaming the Institute's name would be debarred from the placement

for the rest of the academic year and it could lead to strict disciplinary action by the institute.

4. Students found cheating or misbehaving in the selection process (PPT/Test/GD/Interview) will be disqualified from the placements for the rest of the academic year.

5. Job Offers:

1. Each student is allowed to have only one job offer. The student will be allowed to sit for further placements even he/she gets placed provided below conditions are met –

   Super Dream Companies (Above 10.0 LPA): These are top-tier companies that offer the best job opportunities, high salaries, and a good working environment. Super Dream companies are usually highly sought after by students, and they have a stringent recruitment process.

   Dream Companies (6.0 LPA – 9.99 LPA): Dream companies are also top-tier companies that offer good job opportunities and salaries, but they may not be as highly coveted as Super Dream companies. The recruitment process for Dream companies is also competitive, but not as challenging as Super Dream companies.

   Core Companies (Above 3.5 LPA): Core companies are medium-sized companies that offer good job opportunities in the core engineering sectors, such as manufacturing, infrastructure, and energy. The salaries offered by core companies are usually lower than those offered by Super Dream and Dream companies.

   Mass Recruiters (4.0 LPA – 5.99 LPA): Mass recruiters are companies that offer jobs to a large number of students in a short span of time. These companies typically have a lower salary range, but they offer a lot of job opportunities. Mass recruiters often recruit for entry-level positions in the IT and BPO sectors.

   Placement Training: All the Students should attend Placement Training. It is Mandatory.

Students who have 80% and above Attendance after completing the Training session only will be allowed for the Placement Process.

1. On Completion of training, Placement Eligibility Test will be conducted. Based on the performance (%) as mentioned below , Students will be allowed to attend the Companies Interviews.

2. A student, who has an offer from a IT Services Recruiter will also be eligible to appear for the Domain based /Dream Recruiter /Super Dream companies subject to his/her being eligible. Once selected by a Core/Dream Recruiter all the previous offer(s) status shall stand cancelled.
3. Student selected in Domain Companies /Dream Company /Super Dream companies must give in writing his/her consent of joining the company. No explanation/excuse/justification will be accepted for declining the offer in later point in time. Selects will have to submit consent letter (of joining) to Joint Director-Placement inperson.
4. The student can have only one offer in hand based on the following order of preference.
   (a) Dream Recruiter-/ Super Dream Companies - All offers from Companies in the categories listed below (b, c) will stand cancelled.
   (b) Domain Companies - All offers from Companies in the categories listed below (c) will stand cancelled.
   (c) IT Services Recruiters – In case a student has no offer from any of the categories above, then the offer from IT Services Recruiter will remain valid.
5. Students should appear for placement process as indicated below:
   (a) All (registered and yet-to-be-placed) students must appear for all companies that they are eligible for.
   (b) All students placed in IT Services Recruiter are also eligible for Domain based companies and registered as per their branches.

6. Students from core sectors will be allowed to sit for campus drive of core companies even if they have offers from Software/IT Companies irrespective of their package
7. If a student receives more than one offer owing to delays in the announcements of results by the companies, the student is bound to accept the job offer whose results are declared earlier. If Student get internship offer he/she can appear for full time opportunity.
8. If Students registered for the drive but not appear three consecutive drive he/she will beblocked for further drive
9. Students can undergo for the Internship program in the month of August 2023 , if they cleared the selection process of companies by the placement cell. Students must maintain the academic percentage and should clear all Subjects.
10. Students getting PPO during Internship, Offer will be considered as full time Job. Once student gets the Offer from the Client, Student will be blocked as per the Policy

6. Offer Letters:

1. Offers received from companies must be collected from T&P Department/Company as per timings displayed on the notice board. The responsibility of going through the offer letter and taking further actions such as signing and sending it back to the Company lies entirely on the students. In the case of students do not abide by the guidelines laid down by the companies and offer stands canceled, it will be solely the responsibility of the student.
2. In case the offer letter is received by the students directly from the company, a copy of the same must be submitted to the placement office.

INTERNSHIP POLICY

Objective: Objective:

The intent of the policy pursued by the Faculty of Engineering and Technology is to acquire hands-on industrial or organizational exposure and incorporate the knowledge and skills attained through the coursework, and interact with professionals and other interns. The internship has to be significant and mutually beneficial to the intern and the organization. It is crucial that the objectives and the activities of the internship program are distinctly clarified and comprehended.

Key goals include:

- Exposure to industrial environments, enhancing technical/managerial skills.
- Learning about current technological developments.
- Using industrial experience in classroom discussions.
- Improving presentation, writing, and communication skills.
- Acting as a gateway for final placements and pre-placement offers.

Facilitation: Internships are facilitated through:

1. **Earn While You Learn (EWYL):** For final-year students, offering remote or on-site work with a stipend of 15k-25k. Eligible for UG & PG students in specific domains (ML,AI, Data Engineering, Cyber Security).
2. **Summer Internship Program:** For 2nd, 3rd, and 4th-year students, providing 4-6 weeks of real-world experience. Benefits include building resumes, professional growth, and potential job offers.

Final Year Internship Program:

During the 7th-semester break, classes for the 8th semester are conducted. Internships commence in the 8th semester, with the potential to convert into full-time placements. Students are required

to complete mandatory university academic requirements on Saturdays. A collaboration with Futurense guarantees internships for specific courses. The internship duration is up to 10 months for B.Tech students and 11 months for M.Tech students. Regular monitoring and joint publications are required. Post-internship, submission of internship reports and training certificates is mandatory. Internships can also be converted into project work with mutualconsent.

Benefits:

- Builds industry-institute ties.
- Eases the placement process.
- Enhances institutional credibility and branding.
- Assists in curriculum revision based on feedback.
- Improves the teaching-learning process.

Internship Pursuit:

Internships can be pursued both in-house and through external agencies. Opportunities are generated through Memorandums of Understanding (MoUs), industry collaborations, and initiatives by the Training & Placement Office. Additionally, students have the option to independently secure internships in their areas of interest.

Conduct: Interns must demonstrate honesty, punctuality, and willingness to learn. Compliance with company policies and procedures is mandatory, with disciplinary actions for any violations,

Note: All the internship & placement rules are framed & followed as per AICTE Norms.

15. CO-CURRICULAR/EXTRA CURRICULAR ACTIVITIES

CO-CURRICULAR ACTIVITIES

SALUS CLUB: Technical club from CSE– Cyber Security organized a Technical Event HackCraft which explains the basics of Cyber-Security and its tools. The starting session of the event was handled by the guest speaker as Mr. Ashutosh Rao who shared his thoughts about Cyber-Security. It was then taken over by the club members who gave brief information aboutthe basics of Linux and its tools. A CTF contest was then held where the top 3 winners were awarded with Gifts. The target audience were Cyber-Security Students from 1st and 2nd year on 9th November 2023.

EXTRA-CURRICULAR ACTIVITIES

The Faculty of Engineering & Technology, students come from diverse backgrounds worldwide, bringing various perspectives and experiences. They engage in various extracurricular and co-curricular activities on and off campus, fostering a vibrant and dynamic environment.

On campus, students participate in numerous activities organized by the cultural club, which helps them develop and showcase their skills and interests. These activities contribute to their personal growth in multiple dimensions. At FET, students not only become skilled engineers but also evolve into well-rounded individuals through their involvement in cultural club activities.

The cultural club at FET encompasses a variety of specialized clubs catering to diverse interests.

The Theatre Club offers opportunities in drama and mime, allowing students to express themselves through acting and performance.

The Dance Club supports both solo and group performances, showcasing a range of dance styles.

The Music Club supports music enthusiasts, which includes solo and group singing as well as instrumental performances.

The Photography Club encourages students to capture moments and develop their photographic skills.

Fashion enthusiasts can participate in the **Fashion Show Club**,

The Fine Arts Club offers activities in painting, sketching, collage, and rangoli.

For those interested in intellectual pursuits, **The Literature Club** organizes quizzes and debates, fostering a love for reading and critical thinking.

The Art and Design Team at FET excels in both digital design and traditional art and craft, allowing students to explore their creativity through various mediums. This team fosters innovation and artistic expression, blending technology with classic artistic techniques.

Through these clubs, students can explore and enhance their talents, contributing to their overall development.

KEY EVENTS AT JU-FET

The cultural club at FET organizes a range of major events that enrich the student experience and foster community spirit.

The highlight of the cultural club's calendar is **INFINITY**, a techno intercollegiate fest. This mega event attracts participants across the country, offering a platform for students to showcase their technical skills, creativity, and innovation through a series of competitions and activities.

One of the key events is **Deeksharambh**, a freshers' day celebration specifically designed for first-year UG and PG students. This event aims to welcome new students, helping them integrateinto the university environment and begin their academic journey on a positive note.

The cultural club also celebrates **Kannada Rajyotsava**, a festival honoring the formation of the state of Karnataka. This celebration, primarily involving hostel students, highlights the rich cultural heritage of Karnataka and promotes cultural awareness and pride among students.

Through these diverse events, the cultural club at JU-FET not only enhances the student's educational experience but also promotes a sense of community, cultural appreciation, andpersonal growth.

MAGAZINES AND NEWSLETTERS

Synticium Magazine: Celebrating Excellence @ FET

Synticium is the annual magazine of the Faculty of Engineering & Technology, capturing the essence of the institution's vibrant academic and extracurricular life. This comprehensive publication serves as a chronicle of the major programs, activities, and achievements of both students and staff throughout the academic year.

Each edition of Synticium highlights the diverse array of events and initiatives that define the FET experience. From groundbreaking research projects and innovative technical workshops to cultural festivals and sports achievements, the magazine provides an in-depth look at the dynamic environment of the school.

News letter

Kalakrithi is a bi-annual newsletter released by the Cultural Club and NSS wing of Faculty of Engineering & Technology. This publication serves as a vibrant chronicle of the key highlights and achievements of both the Cultural Club and the NSS wing. Each issue of Kalakrithi captures the essence of the dynamic activities, from cultural festivals and artistic showcases to community service initiatives and awareness campaigns. Through engaging articles, event summaries, and vivid photographs, Kalakrithi not only celebrates the creativity and social commitment of FET students but also fosters a sense of pride and community spirit. It stands as a testament to the diverse talents and dedication of the FET family, inspiring continued participation and excellence in both cultural and social endeavors.

SPORTS FORUM

The Sports Forum at the Faculty of Engineering & Technology is a vibrant hub of athletic activity, engaging over 2000+ students in a wide range of sports for both recreation and

professional development. This forum plays a pivotal role in nurturing the physical and mental well-being of students while also fostering a sense of teamwork and discipline.

The forum boasts numerous sports clubs, including basketball, cricket, volleyball, kabaddi, badminton, tennis, and football, among others. These clubs provide structured opportunities for students to train, compete, and excel in their chosen sports. Many FET students have distinguished themselves by representing the college, university, state, and even the country in various competitions, showcasing their exceptional talent and dedication.

To ensure the continuous discovery and development of athletic talent, the Department ofPhysical Education conducts annual trials. These trials are designed to identify and nurture promising athletes, providing them with the support and resources needed to reach their full potential. The trials are a critical component of the sports program, helping to build strong and competitive teams that uphold FET's proud tradition of sporting excellence.

Through the Sports Forum, FET not only promotes a healthy and active lifestyle among its students but also creates a dynamic environment where they can achieve their sporting aspirations and build lifelong skills.

NATIONAL SERVICE SCHEME (NSS)

The NSS (National Service Scheme) wing at the Faculty of Engineering & Technology, is a cornerstone of the institution's commitment to community service and social responsibility. Through the NSS wing, students engage in a variety of activities that aim to make a positive impact on society while fostering personal growth and civic responsibility.

Key activities organized by the NSS wing include blood donation camps, health camps, and awareness campaigns on important social issues. The wing also hosts events such as Yoga Day and Fit India initiatives, promoting health and wellness among students and the broader

community. Celebrations like Children's Day are marked with special events and activities, while environmental consciousness is fostered through plantation drives.

One of the standout initiatives of the NSS wing at FET is the project focused on recreating and revitalizing government schools. This involves painting school buildings and providing training and educational support to students in adopted villages. By enhancing the learning environment and offering additional resources, the NSS wing helps to improve educational outcomes and inspire young minds.

Additionally, the NSS wing is actively involved in creating awareness in nearby villages. Through various outreach programs, students educate community members on topics such as health, hygiene, and sustainable practices, aiming to uplift and empower these communities.

The NSS wing at JU-FET is not only a platform for students to serve society but also a means for them to develop leadership skills, empathy, and a sense of social responsibility. Through their participation in these meaningful activities, students contribute to the betterment of society while growing as conscientious and engaged citizens.

NATIONAL CADET CORPS (NCC)

National Cadet Corps is a leadership training activity for students that teaches them responsibility and resourcefulness. It also helps students to develop smart thinking, quick reasoning and reaction skills and handle various situations in an adept manner. Students, who are physically fit, are encouraged to join the NCC (National Cadet Corps).

16. CALENDAR OF EVENTS OF THE SCHOOL

(Session: July2024 – January 2025) Semester: I Course: UG

Week	Month	Day						Events/Activities	
		Mon	Tue	Wed	Thu	Fri	Sat	1st Semester	
1	July 2024	1	2	3	4	5	6		
2		8	9	10	11	12	13	FOOTSTEP – Student Engagement Activity

37		20	21	22	23	24	25		
38		27	28	29	30	31			

- **Additional theory/labs/Practical session to be scheduled [Saturdays] to balance the contact hour as per the credit hours.**

27-01-2025 - Commencement of Second Semester

University Examination:

- **January 3, 2025** – Commencement of Semester End Examination (Theory)

FET - University Important Dates:

- **November 7th:** Submission of List of Question paper Setters and BoE members for SEE [external & internal]
- **November 13th:** Dispatch of SEE Question Paper covers to Paper Setter [Internal]
- **November 30st:** Submission of SEE Question Paper Covers to University
- **December 11th: Completion of BoE [question paper scrutiny]**
- **December 20th: Finalization of Attendance, Submission of NSAR List**
- **December 24th:** Internal Assessment Marks Display
- **January 16th - 18th: Audit of Internal Assessment from University officials.**
- **January 2nd: Submission of Final CA to university**

ERP System Dates:

- **August 19th: uploading of course matrix, creation of Section, Allocation of Students to the section**
- **Attendance Approval**
  December 20th - by HOD
  December 23rd - by Center Head
- **Internal Assessment Marks Approval**
  January 4th - by HOD
  January 6th - by Center Head

Calendar of Events (Tentative)

(Session: July2024 – January 2025)

Semester: II **Programme: UG / PG**

15.	26-01-2025*	FRIDAY	REPUBLIC DAY
16.	26-02-2025*	WEDNESDAY	MAHA SHIVARATRI
17.	31-03-2025*	MONDAY	KHUTUB-E-RAMZAN
18.	10-04-2025*	THURSDAY	MAHAVEER JAYANTHI
19.	14-04-2025*	MONDAY	DR. B R AMBEDKAR JAYANTHI
20.	18-04-2025*	FRIDAY	GOOD FRIDAY

18. NOTE TO PARENTS

Dear Parents,

We are pleased to welcome you to our prestigious institution, and we are honored that you have chosen us to educate your ward. We assure you that they have made a wise decision in pursuing their professional education with us.

Our university boasts excellent academic facilities and has consistently achieved outstanding results at the university level. We actively promote co-curricular activities and sports, and our campus provides a serene and secure environment with hostel facilities for both men and women.

We are fully committed to providing your ward with every opportunity they need to succeed. Therefore, we seek your active involvement and support in both their academic and personal development.

Please stress the importance of regular study habits at home and in the hostel. Encourage your ward to:

- Attend classes and lab work punctually and regularly. Latecomers may not be admitted by teachers, and any absences should be promptly reported to the concerned teacher.
- Submit records and assignments on time and maintain organizational skills.
- Prepare thoroughly for continuous assessment (CA) and semester-end examinations(SEE).
- Maintain positive communication with teachers and class advisors regularly.
- Adhere to university regulations regarding dress code.

- The University recommends all of its students avoid the usage of private vehicles for safety concerns.

Parents are always welcome to visit the university. Please note that ragging is strictly prohibited. If any such incident occurs, please report it immediately to the mentor, class teacher or program head.

Please also be aware that the university requires a minimum attendance of 85%. Discourage your ward from being absent. In case of illness resulting in more than three days' absence, please provide a Medical Certificate. However, loss of attendance cannot be compensated by producing

a Medical Certificate. It is the student's responsibility to ensure they meet the minimum attendance requirement.

We believe that your association with the university will contribute to your ward emerging as a well-qualified engineer with a balanced outlook, professional ethics, and a humane approach to life.

Please be informed that any student who wishes to file a grievance can contact our dedicated helpline number: +91 9148086232, or they can file the grievance at grievance@jainuniversity.ac.in

Warm regards,

Dr Hariprasad SA

Director

JAIN (Deemed-to-be University), Faculty of Engineering and Technology

19. NOTE TO STUDENTS

- **Dress Code**:
  - **Boys**: No Bermudas/shorts, torn jeans, or ear studs. Hair should be short and trimmed.
  - **Girls**: No transparent, short, sleeveless outfits, or three/fourth pants.
  - Avoid colourful hair dye.
  - Wear formal footwear (shoes).
  - No body piercings or tattoos.
  - Students must present themselves responsibly on their way to and from college.
- **Timings (Online/Offline)**: 08:45 AM to 3:45 PM with a lunch break in between for 50min.
- **Attendance**: It is compulsory to attend college from the first day. All students must adhere to the institution's rules and regulations.
- **Learning Management System (LMS)**: Regularly check the LMS for syllabus updates, modules, assignments, case studies, notes, and other important information.
- **Assignment Submission**: Assignments must be submitted before the deadline.
- **Guest Lectures and Workshops**: The college will arrange regular guest lectures on course-related topics. Students are expected to dress in formal attire for these events.
- **Co-Curricular and Extra-Curricular Activities**: Participation in these activities is mandatory when required by the college authorities.
- **Competitions and Fests**: Prior permission from the Program Head/ HoD/Director is required for participation.
- **Internships**: Students must follow the specified rules and regulations and maintain a work diary during internships provided by corporate partners.
- **Medical Certificates**: Submit medical certificates to the Program Head/HoD in person, with the Class Teacher's signature, within one day of returning to college.

- **ID Card**: Wearing ID cards inside the premises is mandatory. Failure to do so will result in denial of access to classes and other areas of the premises.
- **Attendance Requirement**: Maintain a minimum of 85% attendance in every course to be eligible for the end-semester University examination.
- **Accuracy of Information**: Ensure all statements and information in your application, online ERP (if any) and accompanying documents are true, correct, and complete. False information will result in forfeiture of your seat at JAIN (Deemed-to-be University), termination of your studies, and withholding of examination hall tickets or results/degrees, in addition to potential criminal prosecution.
- **Fee Payment**: Pay all required fees (University, Residence, & Mess as applicable) on time as stipulated by the Institute/Hostel. Delayed transit of fees is not a valid excuse for late payment. Failure to pay fees as scheduled will result in being put out of rolls and restricted from registering for courses, staying in the hostel, attending classes, and writing examinations, including online ones. For any further information regarding the same, students can reach out to Prof. Samiran Bhattacharyya, Deputy Dean (Student Affairs)- JAIN (Deemed-to-be University)
- **Study Diligently**: Develop sound character with discipline, integrity, and spiritual values.
- **Adherence to Rules**: Obey the rules and regulations of the Institute and Residence. Preserve the property of both and discharge your duties as a student with fidelity and honor (if staying in university hostel/residences).
- **Class Attendance**: Attend all classes/labs, including online classes, regularly. Failure to secure the required attendance will lead to repeating the semesters.
- **Health and Wellness**: Practice good health habits and regularly participate in physical activities. Smoking, or the consumption/distribution of tobacco or alcohol on campus is punishable and may result in suspension, debarment, or expulsion.
- **Prohibition of Narcotics**: Possessing, consuming, or distributing harmful or illegal narcotic drugs and psychotropic substances is a criminal offense and will lead to dismissal from the institution.

- **Maintaining Peace**: Do not disturb the peace, damage Institute property, or injure others. Intimidation, initiation, and extortion are prohibited and will result in disciplinary action as per institute procedures and the law.
- **Morality and Political Activity**: Maintain socially accepted standards of morality and do not participate in or invite political activities/leaders to campus without authorization.
- **Leave of Absence**: Attend all class hours and seek prior permission for leave in case of ill health, emergencies, or important family events.
- **Avoiding Regional/Communal Activities**: Do not organize or participate in any regional or communal indiscipline activities.
- **Legal Compliance**: The Institute will not interfere in legal procedures if you create public disturbances and are subject to legal actions by authorities.
- **Academic Progress**: If your academic progress remains poor despite intervention, you may be debarred from the Institute.
- **Disciplinary Measures**: Violations of the code will result in warnings and suspensions. Repeated violations will lead to expulsion.
- **Meetings and Fund Collection**: Do not organize gheraos, meetings, groups, or collect money without the knowledge of the concerned authorities.
- **Anti-Ragging**: Ragging is a crime punishable by law. Do not indulge in any form of ragging or act of indiscipline.
- **Conduct on Campus**: Any breach of discipline, rules violation, or bad conduct on campus or during extracurricular activities will result in admission cancellation.
- **Self-Harm**: Inflicting self-injury or consuming harmful substances will lead to expulsion from the Institute.
- **Communication Response**: Respond to study-related communications from JAIN (Deemed-to-be University) within 24 hours.
- **Cell Phone Usage**: Usage of cell phones inside the class room and laboratory is not permitted. You are responsible for the safety of your personal belongings, including electronic gadgets.

- **Vehicle Restrictions**: The University recommends all of its students avoid the usage of private vehicles for safety concerns. Residents are not permitted to keep vehicles on campus. Any off-campus vehicle use is at your own risk, and the Institute will not be responsible for accidents/incidents. Unauthorized parking will result in the vehicle being seized.
- **Food and Pets**: Non-vegetarian food and pets are not allowed on campus or in campus hostels. Feeding stray animals in the hostel premises is prohibited.
- **Compliance**: Abide by all rules and regulations, which may be updated periodically. The Institute's evaluation is final in all aspects.

20. ABBREVATIONS

1. UGC – University Grants Commission
2. NAAC – National Assessment and Accreditation Council
3. AICTE – All India Council for Technical Education
4. NIRF – National Institute Ranking Framework
5. ISO – International Organization for Standardization
6. FET – Faculty of Engineering and Technology
7. B.Tech – Bachelor of Technology
8. M.Tech – Master of Technology
9. CSE – Computer Science and Engineering
10. UG – Under Graduate
11. PG – Post Graduate
12. Ph.D – Doctor of Philosophy
13. PO's – Program Outcomes
14. PEO's – Program Educational Objectives
15. PSO's – Program Specific Outcomes
16. CSBS – Choice Based Credit System
17. NSS – National Service Scheme
18. NCC – National Cadet Corp

21. CONTACT DETAILS OF THE SCHOOL

Contact Hours Monday to Saturday: 8:45 AM to 4:00 PM

These hours are consistent throughout the week, from Monday through Saturday, providing a reliable schedule for your convenience. Please note that we are closed on 3rd Saturdays, Sundays, and public holidays unless otherwise specified. We kindly urge you to contact us diligently whenever the situation necessitates. Your cooperation is greatly appreciated. For emergencies, you can reach out to Mr. Shine Gopal or the Hostel authority at any time.

Campus Address : 45th km, NH - 209, Jakkasandra Post, Bengaluru - Kanakapura Rd, Bengaluru, Karnataka 562112
